Dear Sally,

Great to visit with you this week in Washington. I appreciate you coming in to discuss the importance of funding for the Land and Water Conservation Fund. As we discussed, we must work together to find common ground and ensure our conservation projects receive the funding they need. This is a very important issue for me and I look forward to our continued discussions.

As our National Parks approach their centennial, I appreciate your support. Our National Parks are something I know we both enjoy, preparing them for their second century of service is something I look forward to working with you more on in the future.

Please keep in touch, and I hope to see you soon.

All best,

Rob Portman
