FY 2017 Per Diem Rates for Colorado

Cities not appearing below may be located within a county for which rates are listed.
To determine what county a city is located in, visit the National Association of Counties (NACO) website (a non-federal website).

October 2016 - September 2017 within denver, Colorado. Max lodging by month (excluding taxes.) The last column is the Meals and Incidental Expense (M&IE) rate.

Your search inquiry returned more than one possibility. Here are the possible rates.

Primary Destination (1, 2)	County (3, 4)	2016 Oct	Nov	Dec	2017 Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	M&IE (5)
Boulder / Broomfield	Boulder / Broomfield	$132	$132	$132	$132	$132	$132	$132	$132	$132	$132	$132	$132	$59
Denver / Aurora	Denver / Adams / Arapahoe / Jefferson	$178	$178	$149	$149	$178	$178	$178	$178	$178	$178	$178	$178	$69

Footnotes

1. Traveler reimbursement is based on the location of the work activities and not the accommodations, unless lodging is not available at the work activity, then the agency may authorize the rate where lodging is obtained.
2. Unless otherwise specified, the per diem locality is defined as "all locations within, or entirely surrounded by, the corporate limits of the key city, including independent entities located within those boundaries."
3. Per diem localities with county definitions shall include "all locations within, or entirely surrounded by, the corporate limits of the key city as well as the boundaries of the listed counties, including independent entities located within the boundaries of the key city and the listed counties (unless otherwise listed separately)."
4. When a military installation or Government-related facility (whether or not specifically named) is located partially within more than one city or county boundary, the applicable per diem rate for the entire installation or facility is the higher of the rates which apply to the cities and/or counties, even though part(s) of such activities may be located outside the defined per diem locality.
5. *Meals and Incidental Expenses*, see Breakdown of M&IE Expenses for important information on first and last days of travel.

The closest major airport to the monument is located in Medford, Oregon. Secretary Zinke's final official engagement in Washington on July 14 is a meeting with representatives from the International Conservation Caucus Foundation. This meeting is scheduled to conclude at 3:30pm.

If Secretary Zinke takes this contract flight, he will not arrive at his hotel in Medford until well after 1:00am. He then must depart the next day at 7:30am for the approximate one-hour drive to the monument. This would be an extremely quick turnaround and it would not provide adequate time for Secretary Zinke to rest and prepare for his full day of scheduled engagements. Taking this contract flight would not enable Secretary Zinke to optimally accomplish the goals and missions of the Department. In addition, this flight takes place well after what would be considered normal working hours.

Taking this non-contract flight will enable Secretary Zinke to be more fully rested and prepared for his next day's engagements.

The following individuals will travel with Secretary Zinke as support staff:

Sgt (b) (6), (b) (7)(C)
Downey Magallanes
Laura Rigas

Please provide approval for Secretary Zinke and the above staff to travel via a non-contract flight from Washington, D.C., to Medford, Oregon, on July 14, 2017.

Thank you.

FY 2017 Per Diem Rates for Oregon

Cities not appearing below may be located within a county for which rates are listed
To determine what county a city is located in, visit the National Association of Counties (NACO) website (a non-federal website).

October 2016 - September 2017 The following rates apply for Oregon. Max lodging by month (excluding taxes.) The last column is the Meals and Incidental Expense (M&IE) rate.

Primary Destination (1, 2)	County (3, 4)	2016 Oct	Nov	Dec	2017 Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	M&IE (5)
Standard Rate	STANDARD RATE	$91	$91	$91	$91	$91	$91	$91	$91	$91	$91	$91	$91	$51

Footnotes

1. Traveler reimbursement is based on the location of the work activities and not the accommodations, unless lodging is not available at the work activity, then the agency may authorize the rate where lodging is obtained
2. Unless otherwise specified, the per diem locality is defined as "all locations within, or entirely surrounded by, the corporate limits of the key city, including independent entities located within those boundaries."
3. Per diem localities with county definitions shall include "all locations within, or entirely surrounded by, the corporate limits of the key city as well as the boundaries of the listed counties, including independent entities located within the boundaries of the key city and the listed counties (unless otherwise listed separately)."
4. When a military installation or Government-related facility (whether or not specifically named) is located partially within more than one city or county boundary, the applicable per diem rate for the entire installation or facility is the higher of the rates which apply to the cities and/or counties, even though part(s) of such activities may be located outside the defined per diem locality.
5. *Meals and Incidental Expenses*, see Breakdown of M&IE Expenses for important information on first and last days of travel.

FY 2017 Per Diem Rates for Colorado

Cities not appearing below may be located within a county for which rates are listed.
To determine what county a city is located in, visit the National Association of Counties (NACO) website (a non-federal website).

October 2016 - September 2017 within denver, Colorado. Max lodging by month (excluding taxes.) The last column is the Meals and Incidental Expense (M&IE) rate.

Your search inquiry returned more than one possibility. Here are the possible rates.

Primary Destination (1, 2)	County (3, 4)	2016 Oct	Nov	Dec	2017 Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	M&IE ($)
Boulder / Broomfield	Boulder / Broomfield	$132	$132	$132	$132	$132	$132	$132	$132	$132	$132	$132	$132	$59

Footnotes

1. Traveler reimbursement is based on the location of the work activities and not the accommodations. Unless lodging is not available at the work activity, then the agency may authorize the rate where lodging is obtained.
2. Unless otherwise specified, the per diem locality is defined as "all locations within, or entirely surrounded by, the corporate limits of the key city, including independent entities located within those boundaries."
3. Per diem localities with county definitions shall include "all locations within, or entirely surrounded by, the corporate limits of the key city as well as the boundaries of the listed counties, including independent entities located within the boundaries of the key city and the listed counties (unless otherwise listed separately)."
4. When a military installation or Government-related facility (whether or not specifically named) is located partially within more than one city or county boundary, the applicable per diem rate for the entire installation or facility is the higher of the rates which apply to the cities and/or counties, even though part(s) of such activities may be located outside the defined per diem locality.
5. *Meals and Incidental Expenses*: see Breakdown of M&IE Expenses for important information on first and last days of travel.

Hi –
Since it's so close, I'd like to go to San Diego (b) (6) between the CO and NV trips (sat night-Tue am) instead of coming back to DC. How can we make that happen with the flights? What should I pay for myself?
I'd still fly out to Denver with the Secretary on Thursday.
Thanks!
My best,

FY 2017 Per Diem Rates for Missoula / Polson / Kalispell Montana

Cities not appearing below may be located within a county for which rates are listed.
To determine what county a city is located in, visit the National Association of Counties (NACO) website (a non-federal website).

October 2016 - September 2017 The following rates apply for Missoula / Polson / Kalispell Montana. Max lodging by month (excluding taxes.) The last column is the Meals and Incidental Expense (M&IE) rate.

Primary Destination (1, 2)	County (3, 4)	2016 Oct	Nov	Dec	2017 Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	M&IE (5)
Missoula / Polson / Kalispell	Missoula / Lake / Flathead	$95	$95	$95	$95	$95	$95	$95	$95	$95	$140	$140	$95	$59

Footnotes

1. Traveler reimbursement is based on the location of the work activities and not the accommodations, unless lodging is not available at the work activity, then the agency may authorize the rate where lodging is obtained.
2. Unless otherwise specified, the per diem locality is defined as "all locations within, or entirely surrounded by, the corporate limits of the key city, including independent entities located within those boundaries."
3. Per diem localities with county definitions shall include all locations within, or entirely surrounded by, the corporate limits of the key city as well as the boundaries of the listed counties, including independent entities located within the boundaries of the key city and the listed counties (unless otherwise listed separately).
4. When a military installation or Government-related facility (whether or not specifically named) is located partially within more than one city or county boundary, the applicable per diem rate for the entire installation or facility is the higher of the rates which apply to the cities and/or counties, even though part(s) of such activities may be located outside the defined per diem locality.
5. *Meals and Incidental Expenses*, see Breakdown of M&IE Expenses for important information on first and last days of travel.

FY 2017 Per Diem Rates for Idaho

Cities not appearing below may be located within a county for which rates are listed.
To determine what county a city is located in, visit the National Association of Counties (NACO) website (a non-federal website).

October 2016 - September 2017 within boise, Idaho. Max lodging by month (excluding taxes.) The last column is the Meals and Incidental Expense (M&IE) rate.

Your search inquiry returned more than one possibility. Here are the possible rates.

Footnotes

1. Traveler reimbursement is based on the location of the work activities and not the accommodations, unless lodging is not available at the work activity, then the agency may authorize the rate where lodging is obtained.
2. Unless otherwise specified, the per diem locality is defined as "all locations within, or entirely surrounded by, the corporate limits of the key city, including independent entities located within those boundaries."
3. Per diem localities with county definitions shall include "all locations within, or entirely surrounded by, the corporate limits of the key city as well as the boundaries of the listed counties, including independent entities located within the boundaries of the key city and the listed counties (unless otherwise listed separately)."
4. When a military installation or Government-related facility (whether or not specifically named) is located partially within more than one city or county boundary, the applicable per diem rate for the entire installation or facility is the higher of the rates which apply to the cities and/or counties, even though part(s) of such activities may be located outside the defined per diem locality.
5. Meals and Incidental Expenses, see Breakdown of M&IE Expenses for important information on first and last days of travel.

Hi Tim:

I appreciate the ethics concerns. Here are the answers:

1. Sponsor of the lunch: Sequoia Parks Conservancy. They are a 501c3 friends organization that serves as the official education and philanthropic partner of Sequoia and Kings Canyon National Parks. They serve under a Partnership Agreement with the National Park Service to raise funds, support programs, and cooperate with the park service to achieve education, outreach, visitor enjoyment, and stewardship goals.

2. Non-federal source of payment: Sequoia Parks Conservancy

3. Amount of payment for the lunch: sack lunch value is $8

Hope this is helpful.

Hi Tim,

A full size SUV would be like Chevy Tahoe or similar, and in Santa Barbara it is priced around 65.00 per day with unlimited mileage.

Thank you.

PLAN YOUR TRIP TODAY!

Moab Horseback Riding » Castle Valley Ride

Beginning at the Red Cliffs Corral, you'll meet your gentle cowboy-trained quarter horse and your professional wrangler who will take some time to make sure each person feels comfortable with their horse and horseback riding technique. After some lessons in the corral, the Moab horseback riding begins. You'll head up Castle Creek Canyon where the soft sounds of the clearwater creek add to the ambiance of towering 2,000 foot cliffs. Cross the shallow creek several times as the views just keep getting better. This beautiful trail is made exclusive to those who choose this trip, so you'll gain a special sense of seclusion that only adds to the astounding sights. After your Moab horseback ride, you'll return to the corral, bid farewell to your steed and take some time to explore and relax around the ranch and head back to downtown Moab, Utah.

Times will vary depending on the time of year. Please call us for exact departure times. Horseback riding trips meet in lobby of Red Cliffs Lodge located at mile 14 on highway 128.

- Maximum weight: 220 lbs.
- Wear long pants, bring a bottle of water & sunscreen.
- Wear closed toe shoes, no sandals please.

MEMORANDUM

TO: Authorizing Official

FROM: Office of Scheduling and Advance

SUBJECT: Actual Expense Reimbursement for Lodging

DATE: May 8, 2017

On May 8, 2017, and May 9, 2017, Secretary Ryan Zinke will be on official travel in southeastern Utah as part of a four-day listening tour regarding Bears Ears National Monument and Grand Staircase-Escalante National Monument. Russell Roddy will travel to southeastern Utah on May 8 and May 9 to help advance Secretary Zinke's engagements there. Due to mission requirements, Secretary Zinke will utilize lodging at the Inn at the Canyons in Monticello, Utah, on the night of May 8. In order to properly execute his advancing duties, Russell Roddy must utilize lodging at the same location as Secretary Zinke. Therefore, because of his mission requirements, Russell Roddy will utilize lodging at the Inn at the Canyons on the night of May 8.

For the night of May 8, the Inn at the Canyons offers a lodging rate of $104.99 per night. The maximum allowable government lodging rate that has been established by the General Services Administration (GSA) for Monticello, Utah, in May 2017 is $91.00 per night (documentation attached). The Inn at the Canyons lodging rate is more expensive than the GSA maximum lodging rate by $13.99 per night. Wadi Yakhour seeks authorization to procure lodging at the higher rate through actual expense reimbursement under FTR 301-11.300 (d) and (e), and under FTR 301-11.303:

§301-11.300 When is actual expense reimbursement warranted?

When:

(d) Because of mission requirements; or

(e) Any other reason approved within your agency.

§301-11.303 What is the maximum amount that I may be reimbursed under actual expense?

The maximum amount that you may be reimbursed under actual expense is limited to 300 percent (rounded to the next higher dollar) of the applicable maximum per diem rate. However, subject to your agency's policy, a lesser amount may be authorized.

Please provide approval for Russell Roddy to accept actual expense reimbursement at a lodging rate of $104.99 per night in Monticello, Utah, on the night of May 8, 2017.

Footnotes

1. Traveler reimbursement is based on the location of the work activities and not the accommodations, unless lodging is not available at the work activity, then the agency may authorize the rate where lodging is obtained.
2. Unless otherwise specified, the per diem locality is defined as "all locations within, or entirely surrounded by, the corporate limits of the key city, including independent entities located within those boundaries."
3. Per diem localities with county definitions shall include "all locations within, or entirely surrounded by, the corporate limits of the key city as well as the boundaries of the listed counties, including independent entities located within the boundaries of the key city and the listed counties (unless otherwise listed separately)."
4. When a military installation or Government-related facility (whether or not specifically named) is located partially within more than one city or county boundary, the applicable per diem rate for the entire installation or facility is the higher of the rates which apply to the cities and/or counties, even though part(s) of such activities may be located outside the defined per diem locality.
5. *Meals and Incidental Expenses*; see Breakdown of M&IE Expenses for important information on first and last days of travel.

The process is to send the approvals in advance to you and me and the travel arrangers wait for your approval prior to making the reservations so you have a chance to ask questions before approving I told this to Tim several times that you wanted the information before had and again I had to remind him to send the information today. All travel arrangers are aware of this process.

Thanks, Dan. I should have considered that I probably shouldn't have been included and not taken it personally. Yesterday was a long, frustrating day at times here. There is a lot of "probably" this and "maybe" that per events here...and different contacts saying different things. They have put in a lot of hard work here and I understand the depth of their planning. It is just hard for me to be dealing with probably's and maybe's at this point and not be able to totally control the situation. I'm sure things will run smoothly in the long run. One other thought per travel, had I not arrived when I did, I would have missed a walkthru yesterday of 30 or more people which included representatives from security, the Governor's Office, and the Prime Minister's Office (who arrived earlier than I did), etc. Thanks for the reply back.

> Rusty - Not your fault. Tim Nigborowicz should have prepared the paperwork in advance. $4,000 for a 6-day advance in the Virgin Islands is not a small sun and will draw the OIG's attention. (OIG's love travel investigations. They are easy to document and spin in a negative way.) Doug and I know this because we have both worked for and successfully protected DOI PASs who have undergone OIG travel investigations.

> Per my travel to the Virgin Islands, I initially wanted to leave on Monday morning. However, flights to the USVI are few and far between. I wanted to fly into St. Thomas as early as possible on Monday and take care of events there on Monday and then head to St. Croix that evening. However, flying out at the crack of dawn on Monday morning still would not have gotten me to St. Thomas until 2:45 in the afternoon...and the last flight from there to St. Croix was 6:45 or so. That meant I would have had less than 3 hours to go thru everything on St. Thomas. As it turned out, I was picked up at 7:00 a.m. this morning at my hotel in St. Thomas and we were not done until after 3 in the afternoon (8 hours)...that included coordinating logistics for all St. Thomas official Centennial events with The Governors office, the Prime Minister of Denmark's office, multiple meetings, etc. The flight I ended up taking Sunday (mind you, a day that should have been a day off for me) left at 6:59 a.m....and why did I take it? Because it was the only way I could make the last connecting flight to St. Thomas thru Atlanta which left at 11:00 a.m. Thus, in order to take care of all details regarding RKZ's trip, I planned accordingly. Not knowing what to expect (and it is more than a bit unorganized here), I planned for handling St. Thomas official centennial events on Monday, St. Croix official centennial events on Tuesday, and then the rest of the Secretary's events on Wednesday. That left a half day on Thursday prior to the Secretary's arrival to handle any loose ends or issues regarding the events that may arise. As far as approval went, I thought all processes were followed to that end.
>
> I can assure you that while I am in dire need of a vacation (after working 3.5 straight months on the campaign with 3 days at home...going straight into Inaugural...and straight into the Administration), I did not consider this as giving myself an extra day of rest and relaxation or leaving a day early. I am very sensitive to the appearance otherwise. I can assure you of that. I know how long it takes to do what needs to be done for such trips....and I will not present the Secretary in an amateur light.
>
> For further rationalization, I am one person from our team coordinating the Secretary's participation in multiple high profile events (12 at last count) on two islands (that does not belittle Basil's participation because he played an important role...but a different role than I...and dealing with different issues...just as the security team deals with a different focus). The security detail sent two members in advance...one on each island...who will spend a total of 6 days in advance of the Secretary's arrival. They are pros and know how much time it takes to do their jobs. I will have spent 4 days here handling events on two different islands prior to the Secretary's arrival. Perhaps, I should have scheduled two of us to work on this...one on each island as the security detail did. But, on the outset, I was told that we wanted as few staff as possible to travel. Beyond that, I considered the additional costs involved of having two make the trip.

Memorandum

To: Virginia Johnson
Acting Assistant Secretary for Fish, Wildlife and Park, OS

From: Roslyn Sellars
Executive Assistant, FWS

Subject: Actual Lodging Cost for Greg Sheehan for Ashland, NE on 6/26/17

Greg Sheehan, Principal Deputy Director, FWS requests approval to use lodging over per diem in Ashland, NE on June 26, 2017. The purpose is to participate in the 84th Annual Midwest Association of Fish & Wildlife Agencies (MAFWA) Directors' Meeting at the Eugene Mahoney State Park in Ashland, Nebraska. The MAFWA Directors' Meeting is for senior level management of natural resources organizations. The meeting focuses on wildlife and fisheries management and conservation.

The meeting organizers arranged lodging at the meeting site (Mahoney State Park Lodge) for all meeting participants. Lodging at another location would not be cost effective due to the additional costs incurred for taxis to and from the meeting location. The traveler is requesting approval for actual lodging in the amount of $95.00 for the night of 6/26/17. The GSA lodging rate is $91.00 and the actual lodging cost is $95.00 for a difference of $4.00. Taxes and fees in the amount of $17.72 will also be added to the lodging rate.

Hi Ros,

No travel authorization is needed for Messrs. Sheehan and Domenech to fly in an FWS aircraft from Leesburg to Tangier Island. According to Tim Murphy in General Law, Leesburg is within the 50 mile radius and the plane flight is kind of the "duty location." As a result, Tim Murphy says he does not think it would count as travel. So no TA required. Good question!

Travelers will depart from Leesburg, VA airport at about 7:30a and return mid afternoon on the same day. Tangier Island is more than 200 miles from Leesburg, VA. Do I need to submit a travel authorization for this?

Sometime between 18 and 31 August, FWS Principal Deputy Director Greg Sheehan (PAS), DOI Assistant Secretary Doug Domenech (PAS) and Joseph McDermott (GS) will be picked up at Leesburg, VA (KJYO). They will fly to Tangier Island (KTGI) to meet with James Eskridge (Mayor) to discuss land loss impact to the Island. All four will then do an overflight of the Island to look at the physical evidence. Mr. Eskridge will be dropped off at KTGI and the rest of the party will return to KJYO.

Commercial Airlines cannot provide the required area overflight.
Contracted aircraft, although available, are considerably more expensive than a DOI Fleet Aircraft

Evening, all.

I believe I have communicated to each of you Governor Herbert's interest in having you as a guest in a short flight from Slat Lake City to Delta, UT next Tuesday morning, 08/22/2017.

Some key details for your scheduling plans:

- Mr. Mike Mower (ccd) is Gov. Herbert's Deputy Chief of Staff. He's your point of contact for this flight, and will be joining you on it. He can be reached by cell at 801-541-1981.
- UT State Director Ed Roberson is also in touch with the Governor's office, will also be on the flight, and can help with any local details. His cell is (b) (6) His executive assistant is Ms. JoAnn Perea-Richmann, and she can also help with local information. JoAnn can be reached at 801-539-4010.
- Mike has requested that each of you *"meet at State Aeronautics at 135 North 2400 West. We plan to have wheels up at 9:30 a.m. so they will want to be there around 9:15 a.m. We look forward to spending the morning with them. The Governor will fly back after lunch and our understanding is the four DOI officials will continue on the bus tour."*
- Cameron Dingman is the UTSO Aviation Chief, working with Ed. He's the person who runs the DOI protocols to get you on board. I have tried to give him some basic information, but he may require additional details from you, so don't be surprised to get an email or phone call from him.

See you mid-day Tuesday in Delta!

Aurelia,

Although we have already extended an invitation informally for you to address our upcoming Annual Meeting, please find attached a formal invitation to do so. Despite the rather short notice, we truly hope you will be able to attend as this will be a fantastic opportunity to reach the majority of the western ranching industry with the Secretary's message.

Please let me know if you have any questions.

Best,

Ethan

Elane,

This email is a follow-up to a request forwarded to me by Aurelia Skipwith, Deputy Assistant Secretary for Fish and Wildlife and Parks.

I am looking at finalizing Aurelia's travel authorization and was wondering if you have any briefing materials I can provide for Aurelia to review.

Also, do you know if the host hotel has any blocked rooms available at this point?

Any information you could provide would be greatly appreciated.

Aurelia,

Although we have already extended an invitation informally for you to address our upcoming Annual Meeting, please find attached a formal invitation to do so. Despite the rather short notice, we truly hope you will be able to attend as this will be a fantastic opportunity to reach the majority of the western ranching industry with the Secretary's message.

Please let me know if you have any questions.

Best,

Ethan

Great news, thank you! I'm CC'ing Tanner and Marci in my office for follow up. They will send you briefing materials and help coordinate travel. We can definitely still get her a room under our block.

Good Afternoon,

Due to schedule conflicts, Aurelia Skipwith will only be able to attend the event from 9/21 (after traveling from DCA).

Upon finalizing Aurelia's travel she has to depart Flagstaff, AZ on 9/24 in the am and cannot attend any events that day.

I've looked at the agenda and have a few questions and need to know if Aurelia will be invited to speak. There are some forms that I need to route (internally) if so.

Thanks,
Thomas

Hi Tameka,

Per our conversation, the tour hosts will not reimburse Ms. Skipwith for her airfare or rental car/shuttle. All transportation after her arrival in Vail will be covered by the tour hosts, up until her departure date.

On Ms. Skipwith's flight in the Colorado plane, there will be three occupants, including the pilot. There will be three occupants on the Utah plane for the first hour of the tour, including the pilot, and only two (Aurelia and the pilot) during the second hour.

Please let me know if you need anything else. Thank you!

Hi Scott,
Just making sure you saw my text. The cost for the flight is estimated at $800-$1000. This includes fuel and pilot costs. I am estimating between 4 and 4 1/2 hours of flight time. Please let me know if you need anything else.
Thank you,
Reid

Jessica,

As per our conversation, we will be using the state plane to transport Ms Skipwith. The cost of the plane is $200/hour and the duration of the flight is 2 hours.

Let me know if you have any questions.

Good morning Jessica,

Just for clarification and verification purposes: will the Wyoming Game and Fish Department pay for Ms. Skipwith's lodging and meals? Or are you only covering the costs for transportation during the tour only?

Let me know as soon as possible,

Good morning,

Ms. Skipwith will need to get a rental car from the Denver airport to Vail, Colorado, and from the trip conclusion to the airport in Bozeman, Montana. All other transportation will be provided. However, lodging and meals are not being covered by any of the hosting agencies.

Let me know if you have any questions.

3:30pm **Natural Resource Issue Discussion at Camp/Kilgore Area**

The discussion will be centered on a question and answer format to facilitate meaningful dialogue between state and federal natural resource managers, elected officials, and ranchers on the following topics:

Management Flexibility & Outcome-Based Grazing – USFS, BLM, DOI

Responsible stewardship relies on management flexibility and localized, site-specific management of the land and resources.

- What changes, both statutory and regulatory, need to be made to enable greater management flexibility? Rather than prescribing management actions, how can we achieve the flexibility to manage for outcomes that meet standards?
- How can the grazing permit renewal process be streamlined and how can it be improved to allow for flexibility in managing preference/permit numbers and seasons of use?
- The Good Neighbor Authority program, which has been utilized by the Forest Service on timber projects, may be a good tool to begin opening up cooperative, innovative projects for more flexible management on both Forest Service and BLM rangelands. Do you see this program as a tool for grazing management? How can it be achieved?

Wildfires/RFPAs – USFS, BLM, IDL, DOI

Livestock grazing can be a tool to reduce the threat of wildfires by reducing fine fuel loads.

- Recently, Idaho BLM developed a pilot project which specifically enabled targeted livestock grazing on a small scale. Is it possible to expand the use of this tool as a fuels management treatment?
- With the prevalence of catastrophic wildfire increasing, why are cuts in livestock utilization common, but increases are non-existent regardless of forage availability? How can we achieve the flexibility needed in grazing permits to enable the utilization of forage within a specific year?
- Idaho's RFPAs can be a pattern for not only wildfire fighting efforts across the arid west, but also for creating solutions to other land management issues. How can we use this model to solve resource issues and concerns across the west?

FY 2017 Per Diem Rates for Tennessee

Cities not appearing below may be located within a county for which rates are listed.
To determine what county a city is located in, visit the National Association of Counties (NACO) website (a non-federal website).

October 2016 - September 2017 The following rates apply for **Tennessee**. Max lodging by month (excluding taxes.) The last column is the Meals and Incidental Expense (M&IE) rate.

Primary Destination (1, 2)	County (3, 4)	2016 Oct	Nov	Dec	2017 Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	M&IE (5)
Standard Rate	STANDARD RATE	$91	$91	$91	$91	$91	$91	$91	$91	$91	$91	$91	$91	$51

Footnotes

1. Traveler reimbursement is based on the location of the work activities and not the accommodations, unless lodging is not available at the work activity, then the agency may authorize the rate where lodging is obtained.
2. Unless otherwise specified, the per diem locality is defined as"all locations within, or entirely surrounded by, the corporate limits of the key city, including independent entities located within those boundaries."
3. Per diem localities with county definitions shall include"all locations within, or entirely surrounded by, the corporate limits of the key city as well as the boundaries of the listed counties, including independent entities located within the boundaries of the key city and the listed counties (unless otherwise listed separately)."
4. When a military installation or Government-related facility (whether or not specifically named) is located partially within more than one city or county boundary, the applicable per diem rate for the entire installation or facility is the higher of the rates which apply to the cities and/or counties, even though part(s) of such activities may be located outside the defined per diem locality.
5. *Meals and Incidental Expenses*, see Breakdown of M&IE Expenses for important information on first and last days of travel.
