Therefore, because of his mission requirements, Aaron Thiele will utilize lodging at the Grande Denali Lodge on the nights of May 26 through May 28.

For the nights of May 26 through May 28, the Grande Denali Lodge in Denali National Park, Alaska, offers a lodging rate of $189.00 per night. The maximum allowable government lodging rate established by the U.S. Department of Defense (DoD) for Denali National Park in May 2017 is $139.00 per night (documentation attached). The Grande Denali Lodge's lodging rate is more expensive than the DoD maximum lodging rate by $50.00 per night. We seek authorization for the procurement of lodging at the higher rate through actual expense reimbursement under FTR 301-11.300 (d) and (e), and under FTR 301-11.303:

§301-11.300 When is actual expense reimbursement warranted?

When:

(d) Because of mission requirements; or

(e) Any other reason approved within your agency

§301-11.303 What is the maximum amount that I may be reimbursed under actual expense?

The maximum amount that you may be reimbursed under actual expense is limited to 300 percent (rounded to the next higher dollar) of the applicable maximum per diem rate. However, subject to your agency's policy, a lesser amount may be authorized.

Please provide approval for Aaron Thiele to accept actual expense reimbursement at a lodging rate of $189.00 per night in Denali National Park, Alaska, on the nights of May 26, 2017, through May 28, 2017.

Dear Tim,

Thanks for taking the time to speak with me this morning,

Per our conversation, we are holding the following

(3) rooms for check in on Friday, May 26 – departing on May 29

(6) rooms for check in on Sunday, May 28 – departing on May 29

We have confirmed a rate of $189 per room plus tax (7%) – if tax exempt please bring paperwork to show at check-in

We understand that all guests will be paying for their rooms individually except for those you would like charged using the credit card authorization form above.

Will guests be arriving in private vehicles or all at once (Sunday)? I just want to make sure that we have bell staff available to assist with luggage, etc.

Tim, if we can assist you with any other details, please don't hesitate to ask.

Thank you so very much – we appreciate you choosing to stay with us in Denali National Park!

Dee Dee

MEMORANDUM

TO: Authorizing Official

FROM: Office of Scheduling and Advance

SUBJECT: Official Travel for Aaron Thiele

DATE: September 11, 2017

Trip Overview:

- Dates: June 13, 2017 – June 17, 2017
- Locations: Connecticut, New Hampshire, Maine, Massachusetts
- Purpose: From June 13, 2017, through June 17, 2017, Secretary Ryan Zinke was on official travel in the New England region for a number of engagements. Secretary Zinke travelled to Uncasville, Connecticut, to speak at the National Congress of American Indians Mid-Year Conference. Secretary Zinke travelled to Hooksett, New Hampshire, to make a press announcement regarding Pittman-Robertson Grants, and to hold related meetings with New Hampshire Governor Chris Sununu and regional stakeholders. Secretary Zinke travelled to various areas within the state of Maine and to Boston, Massachusetts, to conduct reviews of Katahdin Woods and Waters National Monument and Northeast Canyons and Seamounts Marine National Monument. These reviews included tours of the monuments, media availabilities, and meetings with various stakeholders. Aaron Thiele accompanied Secretary Zinke during this travel as support staff.

Trip Notes – Lodging and M&IE:

- On 6/13/17, Aaron Thiele was provided a meal during Secretary Zinke's dinner meeting with Maine Governor Paul LePage in Augusta, Maine. The appropriate signed DI-2000 form is attached, and dinner was deducted from Aaron Thiele's M&IE allocation for 6/13/17.
- On 6/14/17 and 6/15/17, Aaron Thiele joined a number of individuals for hiking, paddling and camping during Secretary Zinke's visit to Katahdin Woods and Waters National Monument in northern Maine. All boating equipment, camping equipment, and other supplies used during the visit were provided by the National Park Service. Therefore, Aaron Thiele incurred no lodging expenses for the night of 6/14/17. All meals during the visit were prepared from food that was purchased by equal contributions from all participants, including Aaron Thiele. All lands of Katahdin Woods and Waters National Monument are located within Penobscot County in Maine, so Penobscot County was used as the official per diem location for this visit.
- On 6/15/17, Aaron Thiele was provided a meal during Secretary Zinke's breakfast meeting with representatives of the Katahdin Chamber of Commerce in Millinocket,

Maine. The appropriate signed DI-2000 form is attached, and breakfast was deducted from Aaron Thiele's M&IE allocation for 6/15/17.

- Due to significant flight delays resulting from severe weather on the evening of 6/16/17, Aaron Thiele extended his official travel for one additional night. Email correspondence approving this travel extension is attached.

Trip Notes – Transportation and Miscellaneous:

- On 6/13/17, Aaron Thiele travelled via taxi from his residence in Washington, D.C., to Washington National Airport. He accidentally used his personal credit card to pay for the fare, which was $19.57. This expense is therefore itemized as a reimbursable expense on Aaron Thiele's travel voucher. Documentation is attached.
- On 6/13/17, Aaron Thiele travelled on a non-contract carrier flight from Washington, DC (DCA) to Hartford, CT. Email correspondence justifying this use of a non-contract carrier flight is attached.
- During this travel, in order to properly execute his official duties, Aaron Thiele upgraded from a compact size rental vehicle to a full-size SUV. Email correspondence authorizing this rental vehicle upgrade is attached.
- On 6/16/17, Aaron Thiele incurred two separate parking fees while executing his official duties in Boston, Massachusetts. Aaron Thiele did not receive receipts for either of these parking fees, but he did receive ticket stubs, which are attached. Aaron Thiele paid cash for the parking fees, which were $20.00 each, because the vendor did not accept credit card payments. Therefore, both parking fees are itemized as reimbursable expenses on Aaron Thiele's travel voucher.
- On 6/16/17, Aaron Thiele incurred a parking fee at one of the official event sites in Boston, Massachusetts. Aaron Thiele lost the receipt for this parking fee, which was $16.00. A copy of Aaron Thiele's credit card statement is attached, with the appropriate charge indicated.
- On 6/16/17, Aaron Thiele incurred a Fuel Service charge for the amount of $129.22 for his rental vehicle. Aaron Thiele incurred this charge due to extenuating circumstances and time constraints that did not allow him to refuel his vehicle before returning it to the rental location. Because this unavoidable Fuel Service charge was incurred while Aaron Thiele was executing his official duties, the government will pay for the entire amount of $129.22.
- On 6/17/17, Aaron Thiele travelled via taxi from Washington National Airport to his residence in Washington, D.C. He accidentally used his personal credit card to pay for the fare, which was $20.16. This expense is therefore itemized as a reimbursable expense on Aaron Thiele's travel voucher. Documentation is attached.
- Airfare Ticket 0018669526150 was evenly exchanged to Airfare Ticket 0018669925038 for the full amount of $64.20.

On June 13, 2017, Secretary Zinke is scheduled to travel to Connecticut to speak at the National Congress of American Indians (NCAI) Mid-Year Conference. Secretary Zinke is scheduled to give his remarks at the conference at 10:00am. The conference is being held at the Mohegan Sun in Uncasville, Connecticut.

The earliest contract carrier flight from Washington, D.C., to Hartford, Connecticut, arrives at 9:04am on June 13. It is approximately a one-hour drive from Hartford to the Mohegan Sun. Therefore, if Secretary Zinke takes this contract flight, he will not be able to arrive on time for his scheduled remarks at the NCAI conference. If Secretary Zinke travels to Hartford on June 12, he will incur unnecessary overnight lodging costs which would increase the total cost of the trip.

There is a non-contract flight from Washington to Hartford that arrives at 8:22am on June 13. If Secretary Zinke takes this flight, he will be able to arrive at the Mohegan Sun in time to deliver his remarks at 10:00am, as scheduled.

The airfare for the non-contract flight is $93.20. The government fare for the contract flight that arrives at 9:04am is $93.20. There is no cost difference between the contract fare and the non-contract fare.

The following staff are traveling with Secretary Zinke:

Sgt. (b) (6), (b) (7)(C)
Jim Cason
Aaron Thiele
Tami Heilemann

Please provide approval for Secretary Zinke and the above staff to travel via a non-contract flight from Washington, D.C., to Hartford, Connecticut, on June 13, 2017.

Thank you,

Laura Rigas will rent the van, and the estimated total cost for the 2-day rental is $500.

Organization:	DOIDOSSIO	Current Status:	AUTHORIZATION APPROV
Purpose:	Mission (Operational)	Document Detail:	I am requesting authorization to travel to Chicken (Tok), AK tomorrow to accompany BLM AIM/inspection teams in the 40 mile mining district. We have some ongoing issues on how BLM is treating independent placer miners in the district and I feel there is some need for some direct oversight. These issues were highlighted in Kate MacGregor's trip last week. ASLM directed trip to accompany BLM field teams for 40 mile miner inspection work. Weather window and helicopter availability (for Chicken-based field site visits) not realized until this morning, thus the late notice for travel approval. Travel would be for 1 or 2 days. The use of a DOI fleet aircraft is necessary because there are no commercial flights into Chicken. Costs incurred will include: commercial round trip airfare from Anchorage to Fairbanks, cost for use of fleet aircraft from Fairbanks to Chicken, AK, BLM facility will be used for lodging so no additional cost to govt, local transportation, and M&IE.

Hi Margaret,

Attached is Steve's travel authorization for a trip to Chicken, AK tomorrow. His travel is scheduled to begin very early tomorrow morning. He needs to be on a commercial flight out of Anchorage that is scheduled to depart at 6:00am.

Due to the early departure tomorrow morning, our travel agency El Sol requires approval prior to 5pm this evening to issue the airline ticket. On Steve's direction, I will go ahead and authorize this TA so we can get that ticket issued. If for any reason this trip does not get approved prior to his departure tomorrow morning, Steve will cancel the ticket and the airfare will be refunded. I'll then cancel the TA as well as the NPS fleet aircraft we've obtained to fly Steve into the Forty Mile mining region.

Is the process changing regarding getting email pre-approval from Downey? Normally we would use her email pre-approval to proceed on short notice trips like this one.

The reason it's such short notice is: ASLM directed trip to accompany BLM field teams for 40 mile miner inspection work. Weather window and helicopter availability (for Chicken-based field site visits) not realized until this morning.

Just talked to Steve about this. He's trying to get a fleet aircraft to take him there and I'm waiting on the cost of that option right now. I could submit it with the cost it would take to drive and note the possibility of using the aircraft - not yet knowing the cost?

We want to proceed, with the caveat that we are still waiting for travel authorization from DC and don't expect it before tomorrow morning. That means there's a remote chance we'll need to cancel the trip before Steve boards his commercial flight out of Anchorage first thing in the morning.

You mentioned we can plan directly with the pilot/manager moving forward. Can you provide his contact info?

Our cost code is:

Thank you!

Memorandum

From: Lesia Monson for Steve Wackowski

Subject: Request Approval for Use of Non-Contract Airfare

Steve Wackowski traveled to Chicken, AK on August 10th, 2017, on a trip which required immediate authorization. Steve needed to accompany BLM Assessment, Inventory, and Monitoring (AIM)/inspection teams in the 40 mile mining district. The weather window and helicopter availability for the Chicken-based field site visits were not realized until the morning prior to the trip, thus the late notice for travel approval.

Steve traveled round trip from Anchorage to Fairbanks via a commercial common carrier, Corvus/Ravn Alaska. Chicken, AK was not accessible by commercial air companies, so a NPS fleet aircraft was acquired in order to get Steve from Fairbanks to Chicken in time for the inspections. The aircraft also returned him to Fairbanks at the end of the day. The Alaska Field Office paid for this flight using our WCF account code: DS10300000/DP.10301/17XD4523WS/DWSN00000.000000. The cost for the use of the fleet aircraft is $715.99. The travel documentation notes this cost in the Expense Details section, although it was paid directly to NPS via the FBMS payment structure, not via a credit card.

Driving via rental car from Fairbanks was not considered an option because the drive from Fairbanks to Chicken, one-way, is over 5 hours. The inspections would have concluded by the time Steve arrived.

The hourly rate for N473YC is $185, so the flight cost at 3.1 hours was $573.50.

Lesia -

Unfortunately we do not have a more formal system such as what other agencies utilize. What we can do is send you a copy of the AUR the pilot submits for payment to OAS and the fuel receipt.

I have Cc'ed the pilot here to get you these items once he returns from the field later this week.

Curtis - Please provide these items to Lesia upon your return to FAI.

Hope this helps!

THE VOICE OF THE WEST

Informing and educating policy makers and the public on federal policy issues distinctive to western and rural communities.

LEARN MORE

WESTERN CAUCUS FOUNDATION

Founded in 2013, The Western Caucus Foundation (WCF), a non-profit 501(C3), is a cultural exchange organization committed to educating public policy makers and communicating with the public in an effort to enhance, sustain, and preserve the West's dynamic and unique culture.

The Western Caucus Foundation is committed to advancing the following key principles: protecting private property, strengthening local control, promoting economic growth, and increasing energy independence.

The Foundation provides support, education, and networking opportunities to advance the public policies important to the West, and offers stakeholders a non-partisan and non-political organization to facilitate discussion of Western issues. We disseminate information to people in Washington, and across the country, about how the West is a real place where people live, work and play, and that it is not an abstraction or an idyllic playground.

The Foundation also educates Congressional staff and others on public policy issues unique to the West via a robust agenda of meetings, conferences, and programs to facilitate the exchange of ideas and information to address critical issues facing the West and rural America. In particular, we highlight how decisions made in Congress can have significant consequences in the West that most of the country never sees.

It is the policy of the Western Caucus Foundation to NOT advocate for or support either directly or indirectly, the election or defeat of any candidate for public or political office. The Western Caucus Foundation shall not donate or contribute to any candidate's campaign, nor will it participate in political fundraising events or otherwise solicit political contributions, or endorse or oppose a candidate.

HONORARY CO-CHAIRS

The Western Caucus Foundation is proud to have Senator Steve Daines (MT) and Representative Paul A. Gosar (AZ-4) serving as our Honorary Co-Chairs.

THE VOICE OF THE WEST

Informing and educating policy makers and the public on federal policy issues distinctive to western and rural communities.

LEARN MORE

WESTERN CAUCUS FOUNDATION

Founded in 2013, The Western Caucus Foundation (WCF), a non-profit 501(C3), is a cultural exchange organization committed to educating public policy makers and communicating with the public in an effort to enhance, sustain, and preserve the West's dynamic and unique culture.

The Western Caucus Foundation is committed to advancing the following key principles: protecting private property, strengthening local control, promoting economic growth, and increasing energy independence.

The Foundation provides support, education, and networking opportunities to advance the public policies important to the West, and offers stakeholders a non-partisan and non-political organization to facilitate discussion of Western issues. We disseminate information to people in Washington, and across the country, about how the West is a real place where people live, work and play, and that it is not an abstraction or an idyllic playground.

The Foundation also educates Congressional staff and others on public policy issues unique to the West via a robust agenda of meetings, conferences, and programs to facilitate the exchange of ideas and information to address critical issues facing the West and rural America. In particular, we highlight how decisions made in Congress can have significant consequences in the West that most of the country never sees.

It is the policy of the Western Caucus Foundation to NOT advocate for or support either directly or indirectly, the election or defeat of any candidate for public or political office. The Western Caucus Foundation shall not donate or contribute to any candidate's campaign, nor will it participate in political fundraising events or otherwise solicit political contributions, or endorse or oppose a candidate.

HONORARY CO-CHAIRS

The Western Caucus Foundation is proud to have Senator Steve Daines (MT) and Representative Paul A. Gosar (AZ-4) serving as our Honorary Co-Chairs.

APPENDIX I – FAQs

Who can go on the trip and attend the events?
The trip and events in Alaska are open to Members of the Western Caucus (House and Senate, Congressional staff (with or without a Member of Congress), Western Caucus Foundation stakeholders, and Western Caucus guests.

How do I sign up and when is the deadline to sign up?
You should let us know as soon as possible if you intend to go on the trip via: info@westerncaucusfoundation.org.

The cut-off date for hotels and the North Slope portion of the tour is July 14. After that date we can't guarantee availability or the rate. We'll then send an RSVP form, starting on Monday June 26th, to get the initial key information to you. When we send you the form, we'll ask you to start making plane and hotel reservations. There is no cut-off date for the policy roundtable event in Anchorage on August 16.

How do I book my hotels?
For the Anchorage Marriott: Call (907) 279-8000 or click to book your WESTERN CAUCUS FOUNDATION rate.

For the Fairbanks Holiday Inn Express: call 907-328-1100 or click to book WCF group rate.

If there's a problem with any of the travel arrangements, please let us know at info@westerncaucusfoundation.org so we can trouble shoot for you. Please book airfare how you normally would do so for government rate travel.

What costs are Congressional Offices responsible for on the trip?
Congressional offices will be responsible for all trip costs with the exception of the charter flights on Tuesday which are essential for Site Tours. Congressional office expenses include round trip airfare to Anchorage, Inter Alaska flights via Alaska Airlines on Tuesday and Wednesday, meals not allowed to be covered by the Foundation, coordinated ground transportation and nightly hotel fees (@ government rate). The Foundation will coordinate the itinerary, activities, as well as pay for allowable meals. These include box lunches at work briefings.
For a breakdown, please see a listing of estimated costs in Appendix II.

Can we use our office MRA to pay for it?
The agenda and activities on this trip relate to official government duties by members & staff – thus MRA funds can be used.

How many attendees can go on the tour?
We do have a capacity constraint for the north-slope tour due to the limited size of the charter plane and ground transportation at Alpine in NPRA, and other aircraft limitations. That said, we can take a fairly good size group to the North Slope. If we have capacity issues due to the interest in the trip, Members of Congress and accompanying staff will have priority. We will then follow up and prioritize who can go on what portion of the North Slope tour -- some attendees will have a supplemental itinerary and activities during the morning in Prudhoe Bay. Hopefully, that won't be necessary. Otherwise, we have no capacity limitations for all other activities on the trip's agenda for attending staff, stakeholders, or guests from Alaska...and we expect a robust turn out.

SUBJECT: Request for rental vehicle upgrade

DATE: 8/14/2016

Steve Wackowski will be joining Senate Interior Appropriations staff, Emy Lesofski and Chris Tomassi, on their tour of Alaska. On Monday, August 21, the travelers will fly to Dutch Harbor to tour/discuss issues associated with commercial salmon harvest and processing and bycatch. While there, they will tour various canneries and other sites. The rental car facility does not anticipate having any compact cars available on August 21. In addition, the vehicle will need to travel on 4 wheel drive roads to access the various sites to tour.

We request a rental vehicle upgrade. The cost for the upgraded SUV has been verbally estimated at $85.00 plus tax. For comparison purposes, the compact car is estimated to be $65.00 plus tax.

POV miles exceed 350 miles on some days of travel - see attached cost comparison worksheet. After staying in Skagway the night of the 6th, I drove straight back to Anchorage through the night, so no lodging fees were incurred for the night of July 7th. I arrived home on July 8. Lodging in Chicken (Tok), AK exceeded the per diem limit by $50.00 so I have reduced my M&IE for that date by $50.00 to cover the extra cost so there will be no additional cost to the government. I used my credit card statement to calculate the Canadian currency conversion rates for lodging - see attached.

Hi Downey,

For Concur purposes, I'm requesting email pre-approval specifically for the 2nd trip Steve is requesting below, copied again here:

2) Travel within Alaska to Chicken, Skagway, and Haines (4th of July week)

-Attend 4th of July BBQ with 40 mile miners association (Mines on BLM lands, Cong Young and other delegation staff are attending)
-Visit Klondike Gold Rush National Park (Most traffic'd Park in Alaska)
-Site visit of Palmer Mine in Haines (mine prospect on BLM land)
Note: I am going to drive on this trip to save on travel funds, this will require me to drive through a small portion of Canada (not sure if it technically makes it International travel)

I'll work with Debbie and the passport office to finalize Concur TA.

Thank you,
Lesia

"Passenger" and "you" mean person(s) identified in this ticket. By accepting this ticket, you agree to the following contract terms and conditions:

1. You consent to security screening and inspection of your person, vehicle, and property. If you revoke consent at any time, if you fail to comply with federal, state, or local laws, or if you fail to abide by instruction from State personnel regarding travel, security, health, safety, welfare and related matters, State of Alaska (State) may remove you, your vehicle, and your property from its premises or vessel.

2. Passengers with vehicles must check in at terminal by time fixed by State. Pedestrian passengers must check in at terminal one hour prior to vessel departure and be aboard at least 15 minutes prior to departure or risk being denied transportation.

3. All passengers aged 18 years or older must present valid, government issued photo identification prior to boarding.

4. When transporting pets into Alaska, you must present a valid health certificate for each animal before State will permit boarding.

5. PROVISIONS AFFECTING OR LIMITING LEGAL CLAIMS – READ CAREFULLY:
a. State, as well as its employees and agents (personnel), are not liable for any claim arising in connection with passenger death, illness, or bodily injury unless made in writing and lodged with Office of Attorney General, P.O. Box 110300, Juneau, AK 99811-0300 within six months from date of death, illness, or injury. Failure to lodge a claim in this manner will preclude any later suit related to such claim(s). Additionally, any person intending to file suit against State or its personnel in connection with such death, illness, or injury - or any other matter - must file suit within one year from date of death, illness, injury, or event giving rise to any other claim. State and its personnel are not liable for any claim filed after one year.
b. State and its personnel are not liable for emotional distress, mental suffering or psychological injury unless the distress, suffering, or injury has resulted from: (a) physical injury to claimant through negligence or fault of a crewmember, managing agent, master, owner, or operator; (b) claimant having been at actual risk of physical injury, and such risk was caused by the negligence or fault of a crewmember, managing agent, master, owner, or operator; or (c) intentional infliction by a crewmember, managing agent, master, owner, or operator.
c. Any person asserting a claim arising in connection with this ticket or passenger's travel shall file and litigate the claim in a court located in Alaska, to the exclusion of courts of all other states and countries. Federal maritime law shall apply regarding any such claim or dispute. However, if federal maritime law cedes to state law concerning a particular subject, Alaska law will apply to that subject.
d. State reserves the right to alter, revise or cancel schedules and rates for any reason without prior notice and is not liable for any resulting delays, expenses, or damages passenger may incur; nor is State responsible for arranging alternate lodging or transportation.
e. State and its personnel are not liable for theft from any person, vehicle, baggage, or other property at terminal facilities or on vessels.
f. If a court should rule any provision of this contract invalid, the ruling will not affect or invalidate any other provision.

Memorandum

To: Downey Magallanes

From: Lesia Monson for Steve Wackowski

Subject: Cost comparison for use of POV greater than 350 miles

Steve Wackowski will travel to various Alaska sites: Chicken, Skagway, Haines, and Glennallen July 3-9, 2017.
-Attend 4th of July BBQ with 40 mile miners association (Mines on BLM lands, Congressman Young and other delegation staff are attending)
-Visit Klondike Gold Rush National Park (Most traffic'd Park in Alaska)
-Site visit of Palmer Mine in Haines (mine prospect on BLM land)
-Tour Wrangell St. Elias National Park

There are no commercial flights into Chicken on the dates of the event, so he will drive his POV. From there he will continue, via his POV, to Skagway and Haines.

He will drive on this trip to save on travel funds. POV miles exceed 350 miles on some days of travel - see attached airfare worksheet for cost comparison purposes.

To summarize:
$911.65 (POV mileage) vs $3,195.35 (airfare)

Therefore, travel via POV is a cost savings to the government.

Hi Downey,

For Concur purposes, I'm requesting email pre-approval specifically for the 2nd trip Steve is requesting below, copied again here:

2) Travel within Alaska to Chicken, Skagway, and Haines (4th of July week)

-Attend 4th of July BBQ with 40 mile miners association (Mines on BLM lands, Cong Young and other delegation staff are attending)
-Visit Klondike Gold Rush National Park (Most traffic'd Park in Alaska)
-Site visit of Palmer Mine in Haines (mine prospect on BLM land)
Note: I am going to drive on this trip to save on travel funds, this will require me to drive through a small portion of Canada (not sure if it technically makes it international travel)

I'll work with Debbie and the passport office to finalize Concur TA.

Thank you,
Lesia

My apologies, in the future I'll include exact estimates. Here you go:

Airfare: $955 (although that may fluctuate +-$50 depending on passenger load)
Per diem: $42 (partial rate--no overnight)
Est. Total: $997

Less than $1000. For a comparison it would cost about $2000 and I would have to overnight in Barrow using commercial air service.

Just as an FYI, IOS Alaska has a separate budget than IOS DC office. We are funded through the Alaska working capital budget which is contributed to from all the AK agencies. There is room in my budget for this trip.

Downey-

I have two travel authorization requests for you, I am told I have to send the authorizations separate so apologies in advance.

Travel to/from Kaktovik, AK, 25 July (day trip--no hotel needed)

I have been invited to accompany Voices of the Inupiat on a community engagement trip

-Oil and Gas development issues in ANWR will be discussed with the mayor, tribal, and village corporation leadership

-The Secretarial order for seismic in ANWR 1002 will be discussed

-Specific concerns with FWS& Arctic Refuge will be discussed

This will also give me an opportunity to do some critical advance work for Kate MacGregor's pending trip and visit to Kaktovik with BLM, FWS, and BOEM leadership

Costs for airfare are drastically reduced for this flight since the government would be purchasing a seat on an aircraft that is already chartered to go up to Kaktovik.

Thanks,

Steve

Memorandum

To: Downey Magallanes

From: Lesia Monson for Steve Wackowski

Subject: Request Approval for Use of Non-Contract Airfare

Steve Wackowski will travel to Kaktovik on Barter Island to accompany Voices of the Inupiat on a community engagement trip. Oil and Gas development issues in ANWR will be discussed with the mayor, tribal, and village corporation leadership. The Secretarial order for seismic in ANWR 1002 will be discussed. Specific concerns with FWS & Arctic Refuge will be discussed.

Costs are reduced for this trip since Steve will purchase a seat on an aircraft that is already chartered to go up to Kaktovik specifically to attend this community meeting. Otherwise, the trip would require at least one overnight in either Kaktovik or Barrow, or both because of the limited commercial flights available.

Steve requests to pay for the seat fare on the Ryan Air charter flight. His cost to fly on the charter is $955.00. The estimated cost of flying on a commercial flight is $953.30, but because of the limited availability of commercial flights into and out of Kaktovik/Barter Island, at least one night's lodging would be required at a cost estimate of $120.00, plus an additional day of M&IE at a cost estimate of $66.00.

Ryan Air charter:
$955.00

Cost comparison with commercial air:
$953.30 (air)
$120.00 (lodging)
$66.00 (additional M&IE)
$1,139.30 (total)

My apologies, in the future I'll include exact estimates. Here you go:

Airfare: $955 (although that may fluctuate +-$50 depending on passenger load)
Per diem: $42 (partial rate--no overnight)
Est. Total: $997

Thanks, usually people send a more exact estimate. Thanks.

Less than $1000. For a comparison it would cost about $2000 and I would have to overnight in Barrow using commercial air service.

Just as an FYI, IOS Alaska has a separate budget than IOS DC office. We are funded through the Alaska working capital budget which is contributed to from all the AK agencies. There is room in my budget for this trip.

Downey-

I have two travel authorization requests for you, I am told I have to send the authorizations separate so apologies in advance.

Travel to/from Kaktovik, AK, 25 July (day trip--no hotel needed)

I have been invited to accompany Voices of the Inupiat on a community engagement trip

-Oil and Gas development issues in ANWR will be discussed with the mayor, tribal, and village corporation leadership

-The Secretarial order for seismic in ANWR 1002 will be discussed

-Specific concerns with FWS& Arctic Refuge will be discussed

This will also give me an opportunity to do some critical advance work for Kate MacGregor's pending trip and visit to Kaktovik with BLM, FWS, and BOEM leadership

Costs for airfare are drastically reduced for this flight since the government would be purchasing a seat on an aircraft that is already chartered to go up to Kaktovik.

Thanks,

Steve

Hi Debbie,

Attached are two Wackowski travel authorizations for review/approval.

As you recall, Steve needed to immediately travel prior to receiving his government credit card and establishing his Concur account. We submitted his travel authorizations on the paper forms, DI-1020. We decided to enter the pre-approved DI-1020s into Steve's Concur account once it was set up so that we could process the vouchers through the Concur system for payment.

I've attached the pre-approved DI-1020 forms to the Concur authorizations for the record. Once these Concur authorizations are approved by Downey, I will create the vouchers. I did some slight editing based on more complete information post-travel.

Please let me know if you have any questions or concerns.

Thank you,
Lesia

Hi Downey,

Steve Wackowski requests email pre-authorization to:

Purpose: To attend the Senate Energy Committee Field hearing and the Prince William Sound Science Center's Copper River Nouvea.

Background: The hearing (details below) is on Energy Innovation, both Sens Murkowski and Cantwell will be holding the hearing in person. The Nouveau is a fisheries award presentation and dinner that I have been invited to, which meets the criteria of a widely attended event. Members of the Exxon Valdez oil spill trustee council, of which I am the newest member, traditionally attend. I can also set up a meeting with representatives of the Eyak Corp which manage the Federal Subsistence fishery on the Copper river.

Based on preliminary research, the travel will require at maximum a 2-night stay, as flights into Cordova do not arrive until 4pm on Saturdays.
Dates of travel: June 9-11
Estimated airfare: $469.20
Estimated per diem: $277.50
Estimated lodging: $280.00
Estimated airport parking: $30.00

Thank you,

I did attend a dinner event but paid out of pocket for the ticket.

Let me know if you need me to provide you with receipts.

To: Downey Magallanes

From: Lesia Monson for Steve Wackowski

Subject: Request Approval for Actual Lodging Cost

Steve Wackowski will travel to Washington DC to attend meetings with the Interior staff, State of Alaska staff, and Alaska delegation staff. His travel dates are June 27-June 30, 2017.
Due to the lack of available lodging at per diem rates, Steve Wackowski is requesting actual lodging cost for this trip. The lodging per diem for Washington DC is $242.00. The Hotel Hive has rooms available for:

Tuesday, June 27 is $274
Wednesday, June 28 is $254

The cost of the total of three nights is $692.00, an average of $231.00 per night, which is less than the nightly per diem of $242.00.

In addition, the proximity of the hotel to the Main Interior Building will reduce the cost of taxi fares during this trip, an additional savings to the government.

Memorandum

To: Downey Magallanes

From: Lesia Monson for Steve Wackowski

Subject: Request Approval for Actual Lodging Cost

Steve Wackowski will travel to Washington DC to attend meetings with the Interior staff, State of Alaska staff, and Alaska delegation staff. His travel dates are June 27-June 30, 2017. Due to the lack of available lodging at per diem rates, Steve Wackowski is requesting actual lodging cost for this trip. The lodging per diem for Washington DC is $242.00. The Hotel Hive has rooms available for:

Tuesday, June 27 is $274
Wednesday, June 28 is $254
Thursday, June 29 is $164

The cost of the total of three nights is $692.00, an average of $231.00 per night, which is less than the nightly per diem of $242.00.

In addition, the proximity of the hotel to the Main Interior Building will reduce the cost of taxi fares during this trip, an additional savings to the government.

The Delta Airlines flight out of Washington, DC that late afternoon and evening are fully booked. Steve requests to use the non-contract carrier, Alaska Airlines, which has available seating on the 6:52pm flight on Friday out of Washington, DC. The cost is $1,178.10. If Steve has to stay overnight in Washington DC to use a contract carrier the following day, he will need to pay for lodging on Friday night.

Memorandum

To: Downey Magallanes

From: Lesia Monson for Steve Wackowski LM

Subject: Request Approval for Actual Lodging Cost

Steve Wackowski traveled to the North Slope of Alaska to join Secretary Zinke's Congressional Delegation tour and a tour of Denali National Park. His travel dates were Saturday, 5/27 through Monday, 5/29. He stayed in Fairbanks, AK the night of May 27 and Denali National Park the night of May 28.

Due to the lodging limitations in Denali National Park, the Secretary's party stayed at Grande Denali Lodge, which was over the allotted per diem amount for that night. Due to mission requirements, the traveling party needed to stay in the same location. Lodging per diem for Denali National Park is $139.00 per night. Traveler is requesting actual lodging in the amount of $189.00 for that night.

As this was the first trip for Steve Wackowski, a new employee, and his travel credit card has not been received and his Concur account has not been set up, the Secretary's scheduling office booked and paid for this room on the DOI corporate card. The Fairbanks lodging was also booked and paid for with the DOI corporate card.

I will note the hotel expenses on the travel voucher as non-reimbursable since they were paid with the DOI corporate card.

Hi Debbie,

Attached are two Wackowski travel authorizations for review/approval.

As you recall, Steve needed to immediately travel prior to receiving his government credit card and establishing his Concur account. We submitted his travel authorizations on the paper forms, DI-1020. We decided to enter the pre-approved DI-1020s into Steve's Concur account once it was set up so that we could process the vouchers through the Concur system for payment.

I've attached the pre-approved DI-1020 forms to the Concur authorizations for the record. Once these Concur authorizations are approved by Downey, I will create the vouchers. I did some slight editing based on more complete information post-travel.

Please let me know if you have any questions or concerns.

Thank you,
Lesia

per verbal instructions from Debbie Cousins, I approved the Concur authorizations based on the paper DI-1020s which were previously approved by Downey Magallanes.

Steve's outbound flight departed Saturday night so he had a mid-day arrival in DC on Sunday, thus he did not need lodging on Saturday night. Late day Friday meetings were unexpectedly scheduled, so instead of departing on his scheduled 5:25pm flight Friday evening, Steve stayed an additional night in DC which required lodging and departed on a later flight back to Anchorage the following morning. He still arrived in Anchorage on the authorized date of Saturday, 9/16, but he added one extra night's lodging due to the Friday meetings. There was no additional cost to the airfare by switching to the later flight. Trip costs include airfare, lodging for Sunday - Friday nights, local transportation.

Steve's outbound flight departed Saturday night so he had a mid-day arrival in DC on Sunday, thus he did not need lodging on Saturday night. Late day Friday meetings were unexpectedly scheduled, so instead of departing on his scheduled 5:25pm flight Friday evening, Steve stayed an additional night in DC which required lodging and departed on a later flight back to Anchorage the following morning. He still arrived in Anchorage on the authorized date of Saturday, 9/16, but he added one extra night's lodging due to the Friday meetings. There was no additional cost to the airfare by switching to the later flight. Trip costs include airfare, lodging for Sunday - Friday nights, local transportation.

Steve's outbound flight departed Saturday night so he had a mid-day arrival in DC on Sunday, thus he did not need lodging on Saturday night. Late day Friday meetings were unexpectedly scheduled, so instead of departing on his scheduled 5:25pm flight Friday evening, Steve stayed an additional night in DC which required lodging and departed on a later flight back to Anchorage the following morning. He still arrived in Anchorage on the authorized date of Saturday, 9/16, but he added one extra night's lodging due to the Friday meetings. There was no additional cost to the airfare by switching to the later flight. Trip costs include airfare, lodging for Sunday - Friday nights, local transportation.

They Mayors originally requested the Secretary. The Secretary can not make the meeting and it was deemed most appropriate for me to attend. I am looking to accomplish the following.

1 Relationship building within the Municipalities.
2. Points of contact within the local governments.
3. Perceptions and views of DOI interactions within the communitites
4. Promote the Secretaries Agenda: Most importantly rebuilding trust within the community.

All the best, Tim Williams

Thank you for your message. Is Tim coming to the 6th Annual Meeting of the Mississippi River Mayors in St. Louis on September 12 in place of the Secretary? Or, is he wanting to make arrangements for another DOI principal to fill that role? Just making sure we respond to your outreach correctly.

The Secretary's event begins at 2:30PM and you would be flying into Manchester, NH which is about 15-20 minutes from Hooseth (though I would say 30 minutes to be safe). You may rent a car unless you choose to take a taxi from the airport to the site of his meeting/speaking engagement.

FY 2017 Per Diem Rates for Missoula / Polson / Kalispell Montana

Cities not appearing below may be located within a county for which rates are listed.
To determine what county a city is located in, visit the National Association of Counties (NACO) website (a non-federal website).

October 2016 - September 2017 The following rates apply for **Missoula / Polson / Kalispell Montana**. Max lodging by month (excluding taxes.) The last column is the Meals and Incidental Expense (M&IE) rate.

Primary Destination (1, 2)	County (3, 4)	2016 Oct	Nov	Dec	2017 Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	M&IE (5)
Missoula / Polson / Kalispell	Missoula / Lake / Flathead	$95	$95	$95	$95	$95	$95	$95	$95	$95	$140	$140	$95	$59

Footnotes

1. Traveler reimbursement is based on the location of the work activities and not the accommodations, unless lodging is not available at the work activity, then the agency may authorize the rate where lodging is obtained.
2. Unless otherwise specified, the per diem locality is defined as "all locations within, or entirely surrounded by, the corporate limits of the key city, including independent entities located within those boundaries."
3. Per diem localities with county definitions shall include "all locations within, or entirely surrounded by, the corporate limits of the key city as well as the boundaries of the listed counties, including independent entities located within the boundaries of the key city and the listed counties (unless otherwise listed separately)."
4. When a military installation or Government-related facility (whether or not specifically named) is located partially within more than one city or county boundary, the applicable per diem rate for the entire installation or facility is the higher of the rates which apply to the cities and/or counties, even though part(s) of such activities may be located outside the defined per diem locality.
5. *Meals and Incidental Expenses*, see Breakdown of M&IE Expenses for important information on first and last days of travel.

MEMORANDUM

TO: Authorizing Official

FROM: Office of Intergovernmental and External Affairs

SUBJECT: Actual Expense Incurred on Travel

DATE: June 27, 2017

Timothy Williams was authorized to travel to Whitefish, MT June 25-29, 2017, to attend the Western Governors Association meeting. Mr. Williams' schedule required a brief layover on the evening of June 25 in Denver, CO. However, due to a flight delay, Mr. Williams was unable to travel on to Whitefish from Denver until June 26. This required an unplanned hotel stay in Denver on the night of June 25, 2017, in the amount of $175.42, plus tax.

Furthermore, Mr. Williams had a reservation at the Whitefish Mountain Resort for June 25-29. The hotel required a 24 hour notice to change the reservation. Given his unforeseen overnight layover in Denver, Mr. Williams was unable to change his reservation within the 24 hour period. As a result, his government credit card was charged the nightly fee of $99 for the night of June 25.

This memo requests your approval for the government to pay for the lodging fee of $99 for the night of June 25, in Whitefish, MT, as well as the lodging fee for the unexpected overnight stay in Denver on the same day.

MEMORANDUM

TO: Authorizing Official

FROM: Office of Intergovernmental and External Affairs

SUBJECT: Actual Expense Reimbursement

DATE: June 22, 2017

Timothy Williams will be staying at the Whitefish Mountain Resort for the nights of June 25, 2017, and June 29, 2016, the Whitefish Mountain Resort offers a lodging rate of $99.00 (government rate) per night for Timothy Williams. The maximum allowable government lodging rate that has been established by the General Services Administration (GSA) Whitefish Mountain Resort in June 2017 is $95.00 per night (documentation attached). Whitefish Mountain Resort lodging rate is more expensive than the GSA maximum lodging rate by $4.00 per night. We seek authorization for Timothy Williams to procure lodging at the higher rate through actual expense reimbursement under FTR 301-11.300 (a), (d) and (e):

§301-11.300 When is actual expense reimbursement warranted?

When:

(a) Lodging and/or meals are procured at a prearranged place such as a hotel where a meeting, conference or training session is held;

(d) Because of mission requirements; or

(e) Any other reason approved within your agency.

Please provide approval for Timothy Williams to accept actual expense reimbursement at a lodging rate of $99.00 per night in Incline Whitefish, Montana on the nights of June 25, 2015, and June 29, 2015.

GOVERNOR

May 19, 2017

Timothy Williams
U.S. Department of Interior
1849 C Street, N.W.
Washington, DC 20240

Dear Timothy,

I am writing today to extend my personal invitation for you to join the Idaho Cattle Association and me for the 15th annual Governor's Trail Ride. In true Idaho fashion, this is a unique opportunity to explore natural resource issues firsthand via an educational horseback ride, discussions, dinner and campout. This year's ride is scheduled for July 18-20 in the shadow of the Continental Divide, where the water still runs west from the Centennial Mountains.

For over a decade now I have been hosting federal land management agencies, state and federal wildlife agencies, local ranchers and other resource stakeholders on annual rides to communicate and share ideas in an informal setting. This discussion between individuals involved in land and resource management – at the ground level – is paramount to gaining valuable perspective on how to better meet the needs of rural families, protect natural resources, and preserve the landscape in Idaho.

While on horseback and hilltops overlooking Bureau of Land Management and Forest Service land, this rare perspective will showcase the importance of active resource management. The event will provide opportunities for on-site discussions about improvements to federal grazing management and permit administration, wildlife management and conservation in harmony with sustainable land use, and endangered species habitat.

The location of this year's ride, on historic ranchland nestled in the highlands of the Upper Snake River valley, provides an ideal opportunity for campfire conversations to explore working solutions for wildlife management and land management policies for the benefit of the natural resources we all value. It would be my pleasure if you would join us for this informative experience that has the potential to shape the future of land and natural resource management – not only in Idaho, but across the West.

I will be sending out details on logistics and scheduling in the near future.
John Chatburn, my liaison for this event, is available to answer any additional questions you might have regarding the ride. You can reach John by phone at (208) 332-1660 or by email at John.Chatburn@oer.idaho.gov.

If you plan on joining us, please **RSVP** by June 15 to Krissy Lindsay in my office at (208) 334-2100 or by email at Krissy.Lindsay@gov.idaho.gov.

Again, I look forward to seeing you on the trail ride. If you can't make the ride, please feel welcome to join us for the issue discussion and dinner on July 19.

This State Energy Policy Summit on Monday, August 28, and Tuesday morning, August 29, will be another in this series of informative, fact-based panel discussions giving those who attend up-to-date facts and figures to counter those who would limit our energy capabilities, thus limiting our economic potential.

Register HERE today for this special program that brings our SPN leaders together with industry leaders, policy experts, and other center-right leaders for a serious discussion on energy and environment issues and how we, at the state level, can promote a serious effort that shows economic development and environmental stewardship can work together -- and why the extreme environmentalists are a threat to our economic well-being.

As in the past, if you attend the full conference we will reimburse your extra night's hotel room for Monday night. Just sign in for each session and send us your hotel receipt.

DATE: May 5, 2017

From May 7, 2017, through May 11, 2017, Wadi Yakhour will be on official travel in Colorado and Utah to advance Secretary Ryan Zinke's travel to numerous locations in southern Utah. Wadi Yakhour will also be required to help transport other Department staff to these locations.

MEMORANDUM

TO: Authorizing Official

FROM: Office of Scheduling and Advance

SUBJECT: Actual Expense Reimbursement for Wadi Yakhour

DATE: May 8, 2017

On May 8, 2017, and May 9, 2017, Secretary Ryan Zinke will be on official travel in southeastern Utah as part of a four-day listening tour regarding Bears Ears National Monument and Grand Staircase-Escalante National Monument. Wadi Yakhour will travel to southeastern Utah from May 7 through May 9 to help advance Secretary Zinke's engagements there. Due to mission requirements, Secretary Zinke will utilize lodging at the Inn at the Canyons in Monticello, Utah, on the night of May 8. In order to properly execute his advancing duties, Wadi Yakhour must utilize lodging at the same location as Secretary Zinke, both during Secretary Zinke's stay and on the night prior to Secretary Zinke's arrival. Therefore, because of his mission requirements, Wadi Yakhour will utilize lodging at the Inn at the Canyons for the nights of May 7 and May 8.

For the nights of May 7 and May 8, the Inn at the Canyons offers a lodging rate of $104.99 per night. The maximum allowable government lodging rate that has been established by the General Services Administration (GSA) for Monticello, Utah, in May 2017 is $91.00 per night (documentation attached). The Inn at the Canyons lodging rate is more expensive than the GSA maximum lodging rate by $13.99 per night. Wadi Yakhour seeks authorization to procure lodging at the higher rate through actual expense reimbursement under FTR 301-11.300 (d) and (e), and under FTR 301-11.303:

§301-11.300 When is actual expense reimbursement warranted?

When:

(d) Because of mission requirements; or

(e) Any other reason approved within your agency.

§301-11.303 What is the maximum amount that I may be reimbursed under actual expense?

The maximum amount that you may be reimbursed under actual expense is limited to 300 percent (rounded to the next higher dollar) of the applicable maximum per diem rate. However, subject to your agency's policy, a lesser amount may be authorized.

Please provide approval for Wadi Yakhour to accept actual expense reimbursement at a lodging rate of $104.99 per night in Monticello, Utah, on the nights of May 7, 2017, and May 8, 2017.

Footnotes

1. Traveler reimbursement is based on the location of the work activities and not the accommodations, unless lodging is not available at the work activity, then the agency may authorize the rate where lodging is obtained.
2. Unless otherwise specified, the per diem locality is defined as"all locations within, or entirely surrounded by, the corporate limits of the key city, including independent entities located within those boundaries."
3. Per diem localities with county definitions shall include"all locations within, or entirely surrounded by, the corporate limits of the key city as well as the boundaries of the listed counties, including independent entities located within the boundaries of the key city and the listed counties (unless otherwise listed separately)."
4. When a military installation or Government-related facility (whether or not specifically named) is located partially within more than one city or county boundary, the applicable per diem rate for the entire installation or facility is the higher of the rates which apply to the cities and/or counties, even though part(s) of such activities may be located outside the defined per diem locality.
5. *Meals and Incidental Expenses*, see Breakdown of M&IE Expenses for important information on first and last days of travel.
