

WE WANT YOUR INPUT

QUESTIONS WE NEED TO HAVE YOU ANSWER IN YOUR LISTENING SESSION.

During each listening session we ask these four questions. We ask that you do the same in your listening session.

1. **Challenges:** What obstacles exist to achieve your goals for conservation, recreation, or reconnecting people to the outdoors?
2. **What works:** What are the most effective strategies for conservation, recreation and reconnecting people to the outdoors that you have used?
3. **Federal government role:** How can the federal government be a more effective partner in helping to achieve conservation, recreation or reconnecting people to the outdoors?
4. **Tools:** What additional tools and resources would help your efforts be even more successful?
