

U.S. DEPARTMENT OF THE INTERIOR

FY 2005 Summary of Major IT
Investments

**U.S. Department of the Interior
FY 2005 Summary of Major IT Investments**

This document describes major information technology investments the Department of the Interior has proposed for the FY 2005 President's Budget. These summaries are shortened versions of the Capital Asset Plans (Exhibit 300s) prepared for major IT investments during the capital planning and budget formulation process and also exclude sensitive and deliberative information.
