

Modernization Forum – 5/12/ 2009

Meeting Notes

1. Main Interior Building Drinking Water

- Water is safe to drink
- Problem is temperature, pressure and aeration
- New pumps being installed in June-July are 1st step to a fix.

2. Plans for the new Cafeteria

- Projected completion 3/2010
- All new “Energy Star” compliant appliances
- Skylights in ceiling
- All new furniture and fixtures
- New menus and food choices
- Additional spaces for the Post Office, IDRA Store, Private meeting and dining areas and more

3. Wing 3 Schedule

- Completion January 2010
- Moves will begin in February and end by April 1
- Space assignments are being worked out now and should be complete by May 31, 2009
