COMMENTS ON NATIVE HAWAIIAN RECONCILIATION DRAFT REPORT

Thank you for the opportunity to comment on this historic draft report regarding reconciliation between the Federal Government of the United States and Native Hawaiians - Na ōiwi o Hawai'i.

I have read the draft report and support your 5 point recommendations. Your patients, research, references and obvious comprehension of Hawaiian history and condition of it's people are all well done. Your report is an excellent guideline.

My only comment references Senate Bill S. 2899 introduced by Senator Akaka and Inouye that closely parallels your draft report, I recommend that, if possible, that your final report be available prior to Congress voting on S. 2899.

'O au no, me ka 'oiā'ī'o - Sincerely

Patrick Ka'ano'i
