I am Kauwale; I seek the return of my freedom, which is my right as a Kanaka Maoli. This right that all men need to be free to govern our selves as a nation as we once were. To recognize our right to be seated at the United Nations as it once was. We have the right to our lands, our ocean (the entire archipelago) and the right to make our own laws, and to choose our values.

Reconciliation to me is the restoration of the Kingdom of Hawaii back in its entirety as an independent government. We need to take care of our own people. The U.S.A. is to absolve all costs – no if, ands or buts.

Joseph Kauwale, Jr.
