Testimony

Aloha to this Military board of inquirer, its well recorded in the Hawaiian history of 1893 January 17, That the Foreign Government of the United State of the America, was the major force in this unlawful and illegal overthrow of my Queen Liliuokalani, whom was the legal heir to this land that was stolen by this arm force of America.

The Kingdom of Queen Liliuokalani was stolen by Americans citizens with the helped of the American arm forces of a foreign Government, the Government of the United State. This foreign government than proclaimed that the King should be a white man from the government of the America, the same white man who was one of the murder of my Queen Liliuokalani.

The president of this foreign government was one of the key player in the plot to the murder of Queen Liliuokalani's government. we all know that this De-Facto government that was put in power was illegal, Stanford B. Dole was a murder of the Hawaiian policemen who was killed by a American Citizen, who's named was Keloha who was shot in the head in down town on the island of O'ahu, were the illegal overthrow took place.

This foreign government of the Unite State of the America had broken ever Treaty that was made with Native Indian Tribe. and the same thing happen to the Native Hawaiian Government, when the Treaty of 1850, was sign between King Kamehameha the Third King of this here Hawaiian island, and the President of the America, President Zachary Taylor. This Treaty was called the Treaty of Friendship, Commerce and Navigation.

Liliuokalani was deposed by the foreign Government of the United State of the Americans, and its band of revolutionary Citizens of this foreign Government, call " AMERICA ". This was just pure blooded Murder of a friendly Nation.

Than on the 17th. day of January 1893, Queen Liliuokalani was deposed by a group of Revolutionary Citizens of America. And that they had called them self the " DE-FACTO " Government of Stanford B. Dole, that I yield to the the superior forces of the United States of America, whose minister plenipotentiary excellency John L. Stevens, has caused United States troops to be landed at Honolulu and declared that he would support the new provisional government.

Queen Liliuokalani had protested this illegal act by the United States of America, she then protest in the court of claims, on the 20th day of November, 1909. Queen Liliuokalani ask the representative of the United States to reinstate her with full power as a constitutional sovereign of the Hawaiian Islands.

I Kealoha Kuhea, by the grace of God and under the constitution of the Hawaiian Kingdom, do hereby solemnly protest against any and all acts done against myself and the constitutional government of the Hawaiian Kingdom, by certain persons making a claim to this, 1.8. million acres of land that was stolen from the government of the Hawaiian Kingdom, and under the constitution of the Hawaiian Nation, I, Kealoha Kuhea, hereby proclaimed his right by birth as the true legal heir and next of kin to Queen Liliuokalani, last ruling Ali'i.

RE; REPARATION FOR THE 1893, OVERTHROW OF QUEEN LILIUOKALANI.

Aloha Mai Ms, Noe Kalipi as you have already know that I have given my testimony to Senator Daniel Akaka's office last week and that I had ask them to fax it to your office in Washington, D.C.. This is what I Kealoha Kuhea will testify to as far as to the illegal overthrow of Queen Liliuokalani's monarchy and of the Hawaiian Government.

In 1999 a resolution was sign by your President William J. Clinton, later it became the bill 103-150, which became the apology bill from the Government of the United States of the America.

Ms. Kalipi as you and I know and the rest of the nation the only true reparation ?, is call out the heirs and next of kin to Queen Liliuokalani, blood relative as only them will make the decision about which form of reparation the Ohana of Queen Liliuokalani would want ?.

We feel that any DE-FACTO Government agency who said that they have a right to this land that was stolen from my aunt Queen Liliuokalani will be an act to plot against the real true heirs of the Royal Ohana as it has show in the 1893 overthorw of aunt Queen Liliuokalani last ruling ALI'I.

The only real solution is that all American citizen will have to leave the Kingdom of Hawai'i and returned to their county of origin which they came ?. As this foreign was brought to Hawai'i by the plantation as migration worker for the foreign plantation company, namely the sugar and pineapple.

IT WAS QUEEN LILIUOKALANI'S LANDS THAT WAS STOLEN FROM HER AND NOT LANDS OF THE CITIZEN WHO HAD LIVE HERE IN HAWAI'I NEI SO I KEALOHA KUHEA WILL DEMAND THAT YOUR GOVERNMENT RETURN THIS STOLEN LANDS TO ME AND THAT ALL REPARATION BE PAID TO ME AND NOT TO SOME PHONY DE-FACTO GOVERNMENT AGENCY OF THE FOREIGN GOVERNMENT OF THE AMERICA.

The Aloha Kuhea
