loans from the trust estate to be secured by first deeds of trust or first mortgages. Nor shall any person having an interest in obtaining such a loan, either personally or as an officer, director or employee of any company, association or partnership seeking such a loan, act as an appraiser. § 107.6. *Aiding Indians in formulating trust agreements.* In the formulation of the trust agreement and the provisions thereof the superintendent for the Five Civilized Tribes Agency and the other employees under his supervision will upon request assist the Indian to the fullest possible extent to the end that he may understand fully the meaning and the intent of the agreement and make the most satisfactory provision for the formation and consummation of the trust agreement.

By final distribution is meant any distribution to a beneficiary of any part of the corpus of the trust estate at any time under the terms of the trust. All fees are to be based on the size of the trust and the nature of the duties to be performed thereunder.
