**§ 112.5 Basis of distribution; pro rata shares.**

In estimating the pro rata share of an individual, the last annuity payroll prior to July 1, or January 1 of each year will be taken as a basis of distribution. Where no payment has been made within 1 year, the last census, if taken within the year, will be the basis. If no census has been taken or payment made within a year, the last available record—either census or annuity roll will be used.

**§ 112.6 Disposition of pro rata share in event of applicant's death.**

In the event of the death of an applicant prior to the approval of his application by the Secretary of the Interior, the share to which he would have been entitled, if living, will revert to the tribe. In case of the death of an applicant after approval of his application and the signing by the Secretary of the Interior of an order for the segregation of his share, but before payment is made, his share will descend to his legal heirs and should be deposited to the credit of the estate pending formal determination thereof.

CROSS REFERENCE: For regulations pertaining to the determinations of heirs and approval of wills, see part 15 and §§ 11.30 through 11.32C of this chapter.

**§ 112.7 Pro rata shares of minors.**

The shares of minors will not be withdrawn except when necessary for their own benefit. The application should be signed by the parent or guardian and transmitted to the Bureau by the superintendent with his recommendation as in other cases and a full explanation of the circumstances which justify the withdrawal. Such shares will be deposited to the credit of the minors subject to expenditure under the individual Indian money regulations. The term "minor," as used in this section, shall be interpreted in conformity with the State law.

CROSS REFERENCE: For individual Indian money regulations, see part 115 of this chapter.
