TITLE 7—AGRICULTURE

Chapter IX—Agricultural Marketing Service (Marketing Agreements and Orders), Department of Agriculture

PART 908—MILK IN CENTRAL ARKANSAS MARKETING AREA

ORDER AMENDING THE ORDER.

§ 908.0 *Findings and determinations.* The findings and determinations hereinafter set forth are supplementary and in addition to the findings and determinations previously made in connection with the issuance of the aforesaid order and all of the said previous findings and

determinations are hereby ratified and affirmed, except insofar as such findings and determinations may be in conflict with the findings and determinations set forth herein.

(a) *Findings upon the basis of the hearing record.* Pursuant to the provisions of the Agricultural Marketing Agreement Act of 1937, as amended (7 U. S. C. 601 et seq.), and the applicable rules of practice and procedure, as amended, governing the formulation of marketing agreements and marketing orders (7 CFR Part 900), a public hearing was held upon proposed amendments to the tentative marketing agreement and to the order regulating the handling of milk in the Central Arkansas marketing area. Upon the basis of the evidence introduced at such hearing and the record thereof, it is found that:

(1) The said order as hereby amended and all of the terms and conditions of said order as hereby amended will tend to effectuate the declared policy of the act;

(2) The parity prices of milk produced for sale in the said marketing area as determined pursuant to section 2 of the act are not reasonable in view of the price of feeds, available supplies of feeds and other economic conditions which affect market supply of and demand for such milk, and the minimum prices specified in the order as hereby amended are such prices as will reflect the aforesaid factors, insure a sufficient quantity of pure and wholesome milk and be in the public interest; and

(3) The said order as hereby amended regulates the handling of milk in the same manner as and is applicable only to persons in the respective classes of industrial and commercial activity specified in a marketing agreement upon which a hearing has been held.

(b) *Additional findings.* (1) It is necessary in the public interest to make this order amending the order effective not later than March 1, 1956. Any delay beyond that date will seriously threaten the orderly marketing of milk in the Central Arkansas marketing area.

Subchapter I—Grazing

PART 71—GENERAL GRAZING REGULATIONS

MISCELLANEOUS AMENDMENTS

1. Section 71.3 is amended to read as follows:

§ 71.3 *Objectives.* It is the purpose of the regulations in this part to aid the Indians in the achievement of the following objectives:

(a) The preservation through proper grazing practice of the forest, forage, land, and water resources on the Indian reservations, and the building up of these resources where they have deteriorated.

(b) The utilization of these resources for the purpose of giving the Indians an opportunity to earn a living through the grazing of their own livestock.

(c) The granting of grazing privileges in a manner which will yield the highest return consistent with undiminished future use.

2. Section 71.5 is amended to read as follows:

§ 71.5 *Grazing capacity of reservation.* The Commissioner of Indian Affairs shall prescribe for each reservation the maximum number of livestock which may be grazed on Indian range lands. 3. Section 71.7 is hereby repealed.

4. Section 71.8 is hereby repealed.

5. Section 71.9 is amended to read as follows:

§ 71.9 *Free grazing privileges.* On reservations where sufficient tribal land is available, free grazing privileges may be granted to Indians pursuant to § 71.13. The number of livestock which may be grazed free of charge by any individual shall not exceed the number obtained by dividing the estimated grazing capacity of the tribal range by the total enrollment on the reservation: *Provided*, That the Commissioner of Indian Affairs may, in his discretion, and with the consent of the tribal authorities, authorize the granting of free grazing privileges to

Indian families for not to exceed 50 horses, 100 cattle, or 500 sheep, or a combined equivalent thereof in these proportions. A family or livestock association may be granted a permit for the combined free privileges accruing to each member thereof. The total free grazing privileges granted for a range unit shall not exceed the grazing capacity of the tribal lands therein.

6. Section 71.10 is amended to read as follows:

§ 71.10 *Authority to sell grazing privileges on tribal and allotted land.* Grazing privileges may be sold on Indian land in range units in the following manner:

(a) Authority to sell grazing privileges on tribal lands shall be granted pursuant to § 71.13.

(b) Authority to sell grazing privileges on allotted land may be granted by the owners thereof, except those classes described in paragraphs (c) and (d) of this section on an approved form authorizing the superintendent to issue grazing permits at not less than the minimum fees stipulated in such instrument.

(c) Authority to grant grazing privileges on the allotments of minors, other than orphans, shall be given by the head of the family.

(d) The superintendent may grant grazing privileges and stipulate the minimum fees to be charged on the restricted lands owned by Indian orphan minors, Indian non compos mentis and on restricted inherited or devised allotments when the heirs or devisees of such deceased allottees have not been determined. The superintendent may also grant grazing privileges when the heirs or devisees of such deceased allottees have been determined and the lands are not in use by any of the heirs or devisees and the heirs of devisees have not been able for a 3-month period to agree upon the granting of grazing privileges by reason of the number of heirs or devisees, their absence from the reservation, or for other cause: *Provided*, That the superintendent or his authorized representative shall notify absentee heirs and devisees by mailing to their last known address notice that the heirs have a 3-month period from the date of the notice to reach an agreement with respect to the granting of grazing privileges on their inherited or devised restricted allotments.
