MILK IN LOUISVILLE-LEXINGTON-EVANSVILLE MARKETING AREA

Termination of Proceeding To Suspend Certain Provision of Order

Pursuant to the provisions of the Agricultural Marketing Agreement Act of 1937, as amended (7 U.S.C. 601 et seq.), notice of proposed rule making was issued by the Deputy Administrator, Regulatory Programs, on March 16, 1972, with respect to proposed suspension of a certain provision of the order regulating the handling of milk in the Louisville-Lexington-Evansville marketing area. Interested persons were invited to submit views, data, or arguments to the Hearing Clerk not later than March 24, 1972, in connection with the proposed suspension.

The provision in § 1046.51(b) proposed to be suspended reads, "and for the months of April through August such price less 10 cents." Suspension of this language from the order would have maintained the Class II price, during the April-August period, at the price paid for manufacturing grade milk by plants in Minnesota and Wisconsin.

On the basis of all facts available to the Department, including written views, data, and arguments submitted by interested parties, it is concluded that suspension of this provision would not be appropriate at this time.

It is hereby found and determined that the proposed suspension should not be effectuated and that the proceeding begun in this matter on March 16, 1972, should be and is hereby terminated.

Signed at Washington, D.C., on March 29, 1972.

JOHN C. BLUM,
Deputy Administrator,
Regulatory Programs.
