Dear Todd, Ryan, and Jason,

I hope all is well with you. I wanted to let you know that Heartland is planning to host our 13<sup>th</sup> International Conference on Climate Change here in Washington, DC, most likely between June 24 and July 27. We greatly appreciate your speaking engagements at our previous conferences, and we would be honored to have Acting Secretary (and hopefully very soon to be Secretary) David Bernhardt serve as our keynote speaker to discuss relevant administration policy and accomplishments.

In order to properly plan this we would need to confirm a date very soon, so please let me know what information you need from us to expedite should he be available during this timeframe. Thank you for your consideration and I look forward to hearing from you.

Best regards,

Aaron
