The Honorable Ryan Zinke
Secretary of Interior
U.S. Department of the Interior
1849 C Street, NW
Washington, DC 20240

Dear Secretary Zinke:

On behalf of the U.S. Chamber of Commerce, it is my pleasure to invite you to deliver a special keynote address at the 10th anniversary celebration of the U.S. Chamber of Commerce's Institute for 21st Century Energy (Institute). This marquee event will be held on Tuesday, June 20 at the Chamber's headquarters.

The Institute was founded to unify energy policymakers, regulators, business leaders, and the American public behind a common sense strategy that ensures affordable, reliable, and diverse energy supplies, improves environmental stewardship, promotes economic growth, and strengthens national security.

This conference will highlight the rapid and positive developments in the U.S. energy since the Institute was founded, examine future developments and innovations, and showcase energy as a solution and a key driver of economic growth.

We appreciate your consideration and hope you will be able to join us. Leila Getto will follow up with your office to facilitate your participation. Should your staff have any questions, please feel free to contact her at (202) 463-5829 or by email at lgetto@uschamber.com.

Best wishes!

Sincerely,
