Good morning Caroline,

I am emailing on behalf of the International Association of Drilling Contractors to schedule a meeting between the Secretary and our offshore members who are coming to town May 25. The members are available 7 a.m. – 2 p.m. on May 25.

I am attaching a letter IADC's President sent to the Secretary upon his confirmation which outlines many of our major issues (both onshore and offshore) under the jurisdiction of the Department of Interior. These members will only want to discuss offshore matters. Ideally, we would also like to include the Directors (Acting Directors) of BOEM and BSEE in this meeting as well.

The participants in the meeting include:

James Sanislow, VP and CCO at Noble Drilling  
Brady Long, General Counsel at Transocean  
Lyndol Dew, VP at Diamond Drilling  
Mike Lawson, VP HSE at Rowan Drilling  
Chris Johnston, Ensco  
Jason McFarland, President at IADC  
Elizabeth Craddock, VP PGA at IADC  
Alan Spackman, VP PGRA at IADC  
Melissa Mejias, Legislative Analyst at IADC

Many thanks in advance for your time and attention to this meeting request. Please do not hesitate to contact me with any questions.

Liz
