Jamie,
Micah told me how much fun he was having working on deferred maintenance, I figured I'd give it a shot. Do you have time next week to at least chat over the phone to get on the same page as far as a game plan for moving this bill this congress?

Best,
Aaron

Thanks so much Marcia!

Aaron and Chuck – welcome to the crazy world of parks backlog. I am sure Micah filled you in but call anytime with questions on background.

Look forward to working with you both!

Aaron and Chuck—

Thanks so much for your time this morning. I wanted to connect you to Jamie Neil, Rep.

Simpson's LD and approps staffer, as Rep. Simpson has been working closely with Rep. Bishop and Democrats on deferred maintenance issues from the beginning. Jamie is the Congressman's point person on the LAND Act, which provides mandatory funding for DM and LWCF. His direct line is (202) 226-7220. Jamie—Aaron is taking on Micah Chamber's portfolio and Chuck is also being pulled into the exciting DM vortex!
