qualified subsistence users*

## Proposed Federal regulation:

### Unit 22A- Moose

**Federal registration permit.** Federal public lands are closed to  
hunting Sep. 21-Aug. 31 except by federally qualified users hunting  
under these regulations*

*Unit 22A, remainder- 1 bull **by Federal registration permit.** Aug. 1- Sep. 30  
However, during the period Jan 1- Feb 15, only an antlered bull may Jan. 1- Feb. 15  
be taken. Federal public lands are closed to the taking of moose,

Requiring a Federal registration permit to hunt moose will allow for greater Federal harvest data to be collected, improving management of these moose populations.
