To whom it my concern,

Writing this to express my utmost concern about the proposal of opening moose hunting to non Yakutat residents in area 5A , west of the Dangerous River . We are already currently only allowed 25/30 bulls as it is, and most times that quota goes fast, many times in 7 to 10 days. Non residents have east of the Dangerous, and across Yakutat bay. Letting them hunt west of the Dangerous would be very detrimental to the residents of Yakutat were meat is already expensive at at 2 local stores. Letting outsiders to hunt makes absolutely no sence.
