I am writing in opposition to proposals WP26-18,19,20,21,22, and 23.

As a resident of Moose Pass, I feel these proposals are burdensome, overly restrictive, and are against the nature of subsistence.

By keeping my dogs leashed and/or vetting areas for trapping activity before bringing them to hunt, I have never had issues. I think this is a better solution for others than restricting subsistence trappers.
