Hi Alexandra,

Hope you and the team are well,

Just checking in to see if I could get my hands on draft copy of the report. I know that time is of the essence with this report, as we need to turn around the design and layout of the report within one week.

Also do you have any design/layout guidance for the front cover? Any preconceived ideas? Any images that stood out to you and would like for us to include. Please advise.

Thank you,

John

I don't think Laura's looked at it. I did drop almost all of your stuff in last night! I sent to Nada and Laura so they can adjust the onshore items and intro and conclusion then we will have a better model and direction for you on how to adjust what's in there for offshore. I can send if you want but Nada's in the doc now. Either way fine I guess but that was my thinking!

Hey Alex,

Thanks for sharing the doc with me -- am I good to start reviewing and editing?

Ok—Marissa will be back at her computer at around 11 or so. Let us know when we are ready to get in there.

Thanks

I don't think Laura's looked at it. I did drop almost all of your stuff in last night! I sent to Nada and Laura so they can adjust the onshore items and intro and conclusion then we will have a better model and direction for you on how to adjust what's in there for offshore. I can send if you want but Nada's in the doc now. Either way fine I guess but that was my thinking!

Oh. We thought we might be able to see it before it went to Laura so we can drop our piece in
