Office of Wildland Fire		NOV 9 2012

This Departmental Manual release (112 DM 7) updates the functional description for the Office of Wildland Fire. Major revisions to the chapter include changing the name of the office from Office of Wildland Fire Coordination to Office of Wildland Fire and updating the responsibilities to reflect the expanded role of the office that goes beyond coordination. The expanded responsibilities include:

- Developing and issuing policies, directives, and guidance that affect wildland fire programs within the Department;
- Monitoring and evaluating the Department's wildland fire programs for consistency in implementation and compliance with policies, standards, and regulations; and
- Providing advice and counsel to Departmental officials in resolving program issues addressing wildland fire management resources and activities.

Secretary - Policy, Management

Assistant Secretary - Policy, Management and Budget
