

# DEPARTMENTAL MANUAL

## TRANSMITTAL SHEET

PART 135 DM 2 and 3	SUBJECT ORGANIZATION Bureau of Land Management Organization and Functions and Office of the Director	RELEASE NUMBER 3983-3984
FOR FURTHER INFORMATION, CONTACT Bureau of Land Management		DATE NOV 18 2013

### EXPLANATION OF MATERIAL TRANSMITTED:

This Departmental Manual Release updates the Bureau of Land Management organizational chart in 135 DM 2 and the functional descriptions for the Office of the Director in 135 DM 3. The organization chart is updated to reflect the new directorate resulting from the consolidation and changes to organizational titles. The revisions to the functional descriptions in 135 DM 3 are the result of consolidating and streamlining the Information Resources Management Directorate and the Business and Fiscal Resources Directorate into the Business, Fiscal and Information Resources Management Directorate. The consolidation strengthens oversight of the bureau's business and information management systems, functions, and operations, and it streamlines existing organizational units and reporting relationships. The consolidation and streamlining conforms to the Department's information technology transformation initiative.

Other changes include:

-Renaming the Minerals, Realty and Resources Protection Directorate the Energy, Minerals, and Realty Management Directorate and establishing a National Renewable Energy Coordination Staff.

-Renaming the Renewable Resources and Planning Directorate the Resources and Planning Directorate and updating the division titles to better reflect program activities and current terminology.

-Merging the Division of Forestry with the Division of Forest, Rangeland, Riparian and Plant Conservation.

-Realigning the National Training Center under the Division of Employee Development.

-Consolidating emergency management functions under the Division of Safety, Health and Emergency Management, formerly the Division of Safety and Occupational Health.

Assistant Secretary – Policy, Management and Budget
