EXPLANATION OF MATERIAL TRANSMITTED:

This Departmental Manual (DM) Release provides the General Program Authority (218 DM 1) and General Administrative Delegation (218 DM 2) for the Bureau of Ocean Energy Management (BOEM). The program authorities previously assigned to the Minerals Management Service (MMS) and described in 218 DM 1 – 6 are consolidated as appropriate, updated, and reassigned to BOEM in 218 DM 1. The administrative delegations in 218 DM 8 previously assigned to MMS are updated in 218 DM 2 and also reassigned to BOEM.

The reassignment of the program and administrative delegations are authorized by Secretary's Order 3299 - Establishment of the Bureau of Ocean Energy Management, the Bureau of Safety and Environmental Enforcement, and the Office of Natural Resources Revenue, dated May 19, 2010, and its Amendments. Secretary's Order 3299 and its Amendments transferred the responsibility for managing offshore energy and mineral resources on the Outer Continental Shelf in an environmentally sound and economically responsible way from the MMS to the BOEM.

All delegations previously assigned to MMS are archived. They have been updated and incorporated as appropriate in the delegations for BOEM or the Bureau of Safety and Environmental Enforcement.
