EXPLANATION OF MATERIAL TRANSMITTED:

This Departmental Manual (DM) Release provides new chapters for the General Program Authority (219 DM 1) and General Administrative Delegation (219 DM 2) for the Bureau of Safety and Environmental Enforcement (BSEE). The delegations described in the chapters are authorized by Secretary's Order No. 3299 - Establishment of the Bureau of Ocean Energy Management, the Bureau of Safety and Environmental Enforcement, and the Office of Natural Resources Revenue, dated May 19, 2010, and its Amendments. The Secretary's Order authorized the transfer of responsibility for providing independent, safety, and environmental oversight and enforcement of offshore activities from the Minerals Management Service (MMS) to BSEE.

Note: The delegations for BSEE are assigned to a new Part 219. The delegation chapters in Part 218 previously assigned to the MMS are reassigned to the new Bureau of Ocean Energy Management (BOEM). Upon approval of the new BOEM delegation chapters, the current chapters in Part 218 will be removed and replaced as appropriate.
