### 310 DM 3

Information contained within 310 DM 3, "Identification Cards" has been superseded by Homeland Security Presidential Directive 12 (HSPD-12), "Policy for a Common Identification Standard for Federal Employees and Contractors" (August 2004) and the subsequent guidance issued in Federal Information Processing Standard (FIPS) 201-1 (March 2006). Because the HSPD-12 policy is still evolving, any further update issuances of 310 DM 3 have been postponed. In the interim, Departmental policy and guidance regarding Identification Cards is available from [www.doi.gov/hspd12/](http://www.doi.gov/hspd12/), the Office of Law Enforcement and Security, and/or the HR HSPD-12 implementation office.
