FOR FURTHER INFORMATION, CONTACT Bureau of Ocean Energy Management		DATE JAN 5 2015

EXPLANATION OF MATERIAL TRANSMITTED:

This Departmental Manual Release updates the functional descriptions for the Bureau of Ocean Energy Management in 118 DM 2 (Organization Structure and Functions) and 118 DM 4 (Ocean Energy Management).

A new risk management program is created. The program responsibilities are divided into two groups: 1) the Risk Management Policy Group and 2) the Risk Management Operations Group. Together, the two groups provide a comprehensive risk management, financial assurance, and loss prevention program that assists both conventional and renewable energy functions within the Bureau of Ocean Energy Management.

118 DM 2 - The chapter is updated to add operational risk management in the ocean energy management functional overview. The organization chart is also revised to add the Risk Management Policy Group.

118 DM 4 - The functional description for the Office of Strategic Resources Programs is revised to add descriptions for the Risk Management Policy Group and the Risk Management Operations Group.

Principal Deputy Assistant Secretary – Policy, Management and Budget
