ORDER NO. 3258, Amendment No. 1 (*Amended material italicized*)

SIGNATURE DATE: July 28, 2006

Subject: Policy Guidance Concerning Land Valuation and Legislative Exchanges

Sec. 1 **Purpose.** This Order provides policy for land valuation issues, real property appraisals, and legislative land exchanges.

Sec. 2 **Background.** During the past year, the Department has taken significant steps to ensure that land transactions are conducted with integrity and earn public confidence. These steps include implementing reforms to improve the management of real property appraisals, establishing the Appraisal Services Directorate, and issuing the Land Transaction Principles. This Order provides the following: (a) a policy on alternative methods of valuation (AMV) that addresses the need to comport with nationally applicable appraisal standards; (b) a policy on appraisals prepared for third (*i.e.*, non-Federal) parties; and (c) a policy on legislative exchanges that reinforces existing Departmental guidance and further provides for a Departmental determination on how to review such proposals internally to ensure appropriate coordination and decision making. The legislative exchange policy also underscores the importance of adhering to applicable appraisal standards in developing applicable legislative provisions.

Sec. 3 **Authority.** The policy in this Order is being issued in accordance with the Uniform Appraisal Standards for Federal Land Acquisitions and the Uniform Standards of Professional Appraisal Practice.

Sec. 4 **Policy.**

a. Alternative Methods of Valuation.

(1) All real property appraisals performed by the Department shall conform to nationally recognized appraisal standards (*i.e.*, the Uniform Appraisal Standards for Federal Land Acquisitions and the Uniform Standards of Professional Appraisal Practice, as applicable). Accordingly, the use of public interest value, contingent valuation, habitat equivalency analysis, and any other AMV in appraisals is expressly prohibited.

(2) If Congress directs the Department to utilize AMV other than or in addition to an appraisal in a specific transaction, the Department shall (a) expressly describe the AMV applied; (b) using the assistance of the Appraisal Services Directorate (ASD), explain how the AMV differ from appraisal methods applied under UASFLA or USPAP; and (c) upon Congressional direction, provide this material to the appropriate committees prior to or after completion of the transaction, in accordance with such direction.

(3) Requirement for Congressional Authorization or Notification.

(a) If the Department proposes to utilize AMV other than or in addition to an appraisal in a specific transaction that requires Congressional authorization, the Department shall expressly describe to the appropriate committees of Congress the AMV applied and, using the assistance of the ASD, explain how they differ from appraisal methods applied under UASFLA or USPAP.

(b) If the Department proposes to utilize AMV other than or in addition to an appraisal in a specific transaction that does not require Congressional authorization, the Department shall notify the appropriate committees of Congress and the Office of the Inspector General prior to the completion of the transaction and, upon Congressional direction, explain, using the assistance of the ASD, to the appropriate committees how the AMV differ from appraisal methods applied under UASFLA or USPAP.

(4) The Associate Director, ASD, has overall authority and responsibility to ensure the effective implementation of this policy, in coordination with the Office of the Special Trustee for American Indians (OST), as applicable, and the Office of Congressional and Legislative Affairs (OCL).

b. Appraisals Prepared for Third (*i.e.*, non-Federal) Parties.

(1) Appraisals prepared for third (*i.e.*, non-Federal) parties may assist in achieving mutually beneficial outcomes for the Department and the proponent. The Department of the Interior, however, is not obligated to review land transaction proposals supported by such appraisals that do not comport with its land management missions, priorities, and plans.

(2) Upon bureau request, the Department, acting through the ASD or the OST, as applicable, shall review a third party appraisal if: (a) the third party consults with ASD or OST prior to the initiation of the appraisal on the scope of work and the selection of the appraiser, and agree that ASD or OST, as applicable, is both the client for and an intended user of the appraisal; (b) a senior bureau or Departmental manager (*i.e.*, Senior Executive Service level in the field or headquarters, as applicable) has transmitted the appraisal with a determination that the land transaction proposal supported by the appraisal comports with applicable missions, priorities, and plans; and (c) ASD or OST, as applicable, has determined that the appraisal was prepared by a certified appraiser and meets applicable appraisal standards.

(3) ASD or OST review of an appraisal does not create an expectation that such appraisal will be approved.

(4) In cases where an appraisal is reviewed by ASD or OST, a second appraisal may be required. If so, ASD or OST shall conduct or oversee that appraisal, which shall be performed in accordance with procedures determined by ASD or OST, as applicable.

(5) The Associate Director, ASD, has overall authority and responsibility to ensure the implementation of this policy in coordination with OST, as applicable, and the OCL.

c. Legislative Exchanges.

(1) All officials and employees of the Department shall adhere to 461 DM 1, which addresses requests for information, drafting, or other assistance regarding legislation from sources outside the Department, and specifically requires coordination with the Legislative Counsel in OCL.

(2) Similar coordination with the OCL shall occur on legislative exchange proposals initiated by any entity, official, or employee of the Department.

(3) The OCL shall determine the appropriate means for the review of each legislative exchange proposal, including the involvement of appropriate policy officials of other offices (e.g., the ASD or the OST as appropriate, and the Solicitor).

(4) Appropriate documentation shall support the key provisions of all legislative exchange proposals.

(5) All appraisals used in legislative exchanges shall conform to nationally recognized appraisal standards (*i.e.*, the Uniform Appraisal Standards for Federal Land Acquisitions and the Uniform Standards of Professional Appraisal Practice, as applicable). When the Department proposes the application of alternative methods of valuation other than or in addition to an appraisal for a legislative exchange, it shall expressly describe the alternative methods of valuation and explain how they differ from methods utilized in an appraisal consistent with nationally recognized appraisal standards (*i.e.*, the Uniform Appraisal Standards for Federal Land Acquisitions and the Uniform Standards of Professional Appraisal Practice, as applicable).

(6) The Director, OCL, has overall authority and responsibility to ensure the effective implementation of this policy, in coordination with the Associate Director, ASD, as applicable.

Sec. 5 **Expiration Date.** This Order is effective immediately. It will remain in effect until its provisions are converted to the Departmental Manual or until it is amended, superseded, or revoked, whichever occurs first. In the absence of any of the foregoing actions, the provisions of this Order will terminate and be considered obsolete on ***December 31, 2006***.
