8,000 – 11,499	198
11,500 – 12,999	199
13,000 – 18,999	200
19,000 – 31,999	201
32,000 – 149,999	202
150,000 and over	203

*Total collection size is the number of objects in the museum collection to be inventoried. If the total collection size falls between the listed numbers, use the next highest number.

** If the total collection size is 1-18 objects, then conduct a 100% inventory on the collection (e.g, if the collection size is 12 objects, then inventory all 12 objects).
