Please note the email exchange I had with Doug this morning. First, it provides his official PTT email address. This is the only email address we should be using to conduct transition activities with him.

Second, Doug is finding our briefing materials to be very helpful. You have all done terrific work on the binders so it is nice to see that it is well received. Thanks!

Third, Doug would like to get the briefing materials on a flash drive so we should work on making that happen on Monday.

Enjoy the weekend!

Doug,

Thanksgiving was great although I am still struggling with the tryptophan! I hope you had a good day yesterday as well.

I should have the flash drive on Monday. I will confirm as soon as I have it. Glad you finding the binders to be useful.

Enjoy your weekend,

Scott, Ed Keable asked me to reach out to you on your request to meet with OMB. I have spoken with the OMB transition lead, Julie Miller. She has asked for additional information on the purpose of the meeting and for information on who you would bring with you. She needs that information in order to get clearance for the meeting. We are happy to coordinate. Thanks!
