§ 223.50 Program required; purposes for which expenditures may be made. Pro rata shares of the Shoshone Judgment Fund shall be expended in accordance with an approved program and for: Purchase of land; improvement of land to be acquired or already held by the Indian; erection and improvement of suitable homes; education; purchase of building material, farming equipment, livestock, feed, seed, grain, tools, machinery, implements, household goods, bedding, clothing, and any other equipment, supplies, or training necessary to enable the individual to fit himself for or to engage in farming, livestock raising, industry, or such other pursuits or vocations as will enable him to become self-supporting.

§ 223.52 Scope of programs. Programs shall contemplate the eventual use of the entire share or portion of the entire share, if so designated, for the purposes set forth in § 223.50. Funds may be used for the purchase and improvement of land to be acquired or already held by the Indian; erection and improvement of suitable homes; education; purchase of building material, farming equipment, livestock, feed, seed, grain, tools, machinery, implements, household goods, bedding, clothing, and any other equipment, supplies, or training necessary to enable the individual to fit himself for or to engage in farming, livestock raising, industry, or such other pursuits or vocations as will enable him to become self-supporting.

§ 223.53 Approval of programs. Programs shall be submitted for approval to the Superintendent, who shall approve or disapprove the same in whole or in part. Programs shall be submitted for approval within 90 days from the date of the receipt of the pro rata share of the Shoshone Judgment Fund. The approval or disapproval shall be under the exclusive discretion of the Superintendent.

§ 223.54 Approval of programs. The superintendent, subject to the limitations described in this subpart, shall approve or disapprove all applications for the use of funds by the Shoshone Tribe of the Wind River Reservation, Wyoming, as amended, to improve the condition of the Indian. The provisions of this section are subject to the provisions of § 223.68.

§ 223.55 Right of appeal. Indians shall have the right of appeal, through the superintendent, to the area director, Billsings Area Office, Bureau of Indian Affairs (hereinafter referred to as the Area Director) (a) from an action of the superintendent in withholding funds under § 223.53 and (b) from an action of the superintendent in disapproving a program under § 223.54. Appeals must be filed within 60 days with the superintendent who shall promptly forward the appeal, together with a statement of the facts in the case and of his reasons for the action taken by him, to the Area Director. An appeal will be within a like period from the action of the Area Director to the Commissioner of Indian Affairs.

§ 223.56 Individual land purchases. Before approving a program which includes an individual land purchase, the superintendent shall determine that such purchase will not interfere with the tribal land program of land purchases, consolidations, and use authorized by the act of July 27, 1939 (63 Stat. 1125). No purchase of land by individuals using restricted funds shall be made within the closed or opened portion of the Wind River Reservation.

§ 223.57 Issuance of purchase orders. In the discretion of the superintendent, expenditures from pro rata share accounts, other than for the purchase of real property, may be made either by purchase order or by cash disbursement to the individual for the execution of an approved program.

§ 223.58 Purchase of real property. Except as otherwise provided in § 223.58, a program of real property shall be made by the superintendent, and such payment shall be made only after the title has been found satisfactory by the Area Director.

§ 223.59 Trust status of property. Title to all real property to be acquired with pro rata share funds shall be held in trust until all requirements of the Indian are satisfied.

§ 223.60 Allowances for support. The superintendent may, upon proper showing, approve expenditures for the maintenance and support of the aged, infirm, declassé, and incapacitated, whether adults or minors, and expenditures from that part of an adult’s pro rata share which exceeds $1,450 for the support of an individual who has proved to be incapable of conducting a productive enterprise. The manner of disbursement and the amount of funds to be used for such purposes shall be determined by the superintendent, subject to the limitations set forth in § 223.62.

§ 223.61 Medical treatment. The superintendent may approve the expenditure from that part of an adult’s pro rata share which exceeds $1,450 to cover medical, dental, surgical, or hospital treatment, including nursing services. No part of a minor’s pro rata share shall be expended for such purposes.

§ 223.62 Education. The superintendent may authorize the expenditure of funds from any miners’ account for clothing necessary for school needs, and in addition, from the account of any minor who is in the ninth grade or higher for his tuition and other necessary expense in a government, private, public, or mission school.

§ 223.66 Funds not available for payment of certain debts. Debts, except those to the United States and the Shoshone Tribe, incurred by Indians prior to July 27, 1939, shall not be paid from any funds made available from the Shoshone Judgment Fund. Debts of Indians will not be paid from the funds to be disbursed under this subpart unless previously authorized by the Superintendent, except in emergency cases necessitating medical treatment or in the payment of last illness or funeral expenses as authorized in this subpart, and in other exceptional cases where specific authority is granted by the Commissioner of Indian Affairs.

§ 223.67 Disposition of funds in event of death. Prior to the determination of heirs, the superintendent may disburse whatever amount he deems necessary and proper for the support of the widow

of the decedent and for each minor child of the decedent. Before making the disbursement, the superintendent shall be reasonably satisfied that actual need for assistance exists and that the value of the estate is sufficient to justify such payment in consideration of the claims. A complete record of all disbursements shall be reported to the superintendent to the examiner of inheritance and by the latter considered and included in his report of probate proceedings. After payment of all proper claims against the funds, including reimbursable or other debts due the United States or the Shoshone Tribe and excluding any claims arising out of services incurred prior to July 27, 1939, the balances shall be transferred to the individual accounts of the heirs of the decedent in accordance with the approved heirship findings. Expenditures from inherited funds shall be made for purposes authorized in this subpart.

§ 233.38 Fee patent Indians. For the purposes of this subpart, a "fee patent Indian" shall be an Indian who has received a patent in fee to his allotment. Fee patent Indians shall be required to submit a program, the approval of which shall be in conformity with §§ 233.50 through 233.55. Fee patent Indians shall not be required to make purchases through purchase orders, but shall have funds disbursed to them direct by the superintendent for such purchases. Funds of minor children of fee patent Indians may be included in an approved family program, but their expenditure shall be subject to the same provisions as over the expenditure of the funds of minor children of Indians other than fee patent Indians. Fee patent Indians shall be required to conform to the provisions of § 223.58 only when the purchase of real property involves property situated within the diminished portion of the Wind River Reservation. Payments by fee patent Indians for real property outside the diminished portion of the Wind River Reservation may be made by them with funds disbursed to them by the superintendent. Except as otherwise provided in this section, fee patent Indians shall conform to all the provisions of this subpart.
