NOTICES

Pursuant to section 7 of the Act of June 28, 1934, as amended (43 U.S.C. 315g), and to the regulations in 43 CFR 2430.6-3, it is proposed to classify the lands described below for disposal through exchange, under section 8 of the Act of June 28, 1934, supra (43 CFR 2300) for lands within the Salt Lake District.

This proposal has been discussed with the District Advisory Board, local government officials and other interested parties. Information from discussions and other sources indicate that these lands meet the criterion of 43 CFR 2430.4(d), which authorized classification of lands “for exchange under appropriate authority where they are found to be chiefly valuable for public purposes because they have special values, arising from the interest of exchange proponents, for exchange for other lands which are needed for the support of a Federal program.”

Publication of this notice will segregate the land from all appropriation including location under the mining laws, except appurtenant rights for exchange. Publication will not alter the applicability of the public land laws governing the use of the lands under lease, license, or permit, or governing the disposal of their mineral and vegetative resources, other than under the mining laws.

No application for exchange will be accepted until it has first been determined that it is in the public interest for the United States to acquire the proposed offered lands and that the value of the offered lands equals or exceeds that of the selected lands.

All applications for exchange must be accompanied by a statement from the Bureau of Land Management, Salt Lake District Manager, that the proposal is feasible, in accordance with 43 CFR 2201.2.

Information concerning these lands is available at the Brigham City Suboffice, Bureau of Land Management, Brigham City, UT 84302, and the Salt Lake District Office, 1750 South Redwood Road, Salt Lake City, UT 84104.

For a period of 60 days from the date of publication of this notice in the Federal Register, interested parties may submit comments, suggestions, or objections to the District Manager of the Salt Lake District, Bureau of Land Management, 1750 South Redwood Road, Room 214, Salt Lake City, UT 84164 or the State Director, Bureau of Land Management, Post Office Box 11505, Salt Lake City, UT 84111.
