TITLE 25—INDIANS

Chapter I—Bureau of Indian Affairs, Department of the Interior

Subchapter N—Irrigation Projects; Construction Costs

PART 141—PARTIAL PAYMENT CONSTRUCTION CHARGES ON INDIAN IRRIGATION PROJECTS

ASSESSMENT AND COLLECTION OF ADDITIONAL CONSTRUCTION COSTS

There was published in the FEDERAL REGISTER of February 26, 1957 (22 F. R. 1102) notice of intention to amend Part 141, dealing with the assessment and collection of additional construction costs on Indian irrigation projects.

All interested parties were given opportunity to submit views, data and arguments within thirty days from the date of such publication. No views, data and arguments having been received, the regulations as proposed are adopted, except that specified dates have been inserted in connection with certain actions which have been or are to be taken. The regulations as adopted are set forth below.

HATFIELD CHILSON,

Under Secretary of the Interior.

JUNE 24, 1957.

§ 141.4a *Assessment and collection of additional construction costs.* (a) Upon the completion of the construction of an Indian irrigation project, or unit thereof, subsequent to the determination of the partial per acre construction assessment rate which was fixed prior to July 1, 1957 pursuant to § 141.4 the Secretary of the Interior or his authorized representative shall determine such additional construction cost and distribute that cost on a per acre basis against all of the irrigable lands of the project, or unit thereof, and $\frac{1}{40}$ th of such per acre additional construction cost thus determined shall be assessed and collected annually from the non-Indian landowner of the project, or unit, thereof. The first installment shall be due and payable on November 15 of the year following the completion of such additional construction work or, if such additional construction work on the project, or unit thereof, has been completed prior to July 1, 1957 and the per acre annual rate determined, the first installment of the additional construction cost to be repaid by such non-Indian landowners shall be due and payable on November 15, 1958. This annual per acre rate shall be in addition to, and run concurrently with, the per acre construction rate assessed annually under § 141.4.

(b) Project lands in Indian ownership are not subject to assessment for their proportionate share of the per acre construction cost of the project, or unit thereof, until after the Indian title to

the land has been extinguished. At that time the total annual per acre assessment rate against non-Indian lands of the project, or unit thereof, shall be assessed against the former Indian lands for each and every acre of irrigable land to which water can be delivered through the project works, beginning on November 15 of the year following the extinguishment of the Indian title to the land and on November 15 of each year thereafter over a forty year period. In cases where the Indian title to project land was extinguished prior to July 1, 1957 the assessment rate shall be due and payable on November 15, 1958.

(Secs. 1, 3, 36 Stat. 270, 272, as amended; 25 U. S. C. 385)
