1. Section 171.3a, a new section, is added to read as follows:

**§ 171.3a Leases for subsurface storage of oil or gas.**

(a) The Secretary of the Interior, or his authorized representative, may approve, subject to obtaining the prior consent of the Indian owners, storage leases, or modifications, amendments, or extensions of oil and gas or other mining leases, on tribal lands subject to lease under the Act of May 11, 1938 (52 Stat. 347; 25 U.S.C. 396a), and on allotted lands subject to lease under the Act of March 3, 1909 (35 Stat. 783; 25 U.S.C. 396), to provide for the subsurface storage of oil or gas, irrespective of the lands from which production is initially obtained. The storage lease, or modification, amendment, or extension, shall provide for the payment of such storage fee or rental on such oil or gas as may be determined adequate in each case, or, in lieu thereof, for a royalty other than that prescribed in the oil and gas lease when such stored oil and gas is produced in conjunction with oil or gas not previously produced.

(b) The Secretary of the Interior or his authorized representative may approve, subject to obtaining the prior consent of the Indian owners, a provision in an oil and gas lease, under which storage of oil and gas is authorized, for continuance of the lease at least for the period of such storage use and so long thereafter as oil or gas not previously produced is produced in paying quantities.

(c) Applications for subsurface storage of oil or gas shall be filed in triplicate with the oil and gas supervisor and shall disclose the ownership of the lands involved, the parties in interest, the storage fee, rental, or royalty offered to be paid for such storage, and all essential information showing the necessity for such project.
