Director, Budget and Grants Management  
Office of Insular Affairs

Dear Mr. Dunn,

In response to your letter dated February 6, 2020, the Census Bureau has produced new 2013 and 2018 estimates of Compact of Free Association Migrants in Hawaii, Guam, the Commonwealth of the Northern Mariana Islands, and American Samoa. The new estimates exclude grandchildren from the COFA migrant definition and follow the specifications discussed with your team on February 7, 2020, for which we received approval on February 10, 2020. These specifications accompany the new estimates in the attached spreadsheet.

Should you have any questions regarding the new estimates, do not hesitate to contact me.

Best,

Oliver P. Fischer  
Assistant Division Chief, International Programs  
Population Division, U.S. Census Bureau
