

THE SECRETARY OF THE INTERIOR
WASHINGTON

JUN 09 2023

Dear Tribal Leader:

In October 2020, the Not Invisible Act of 2019 was signed into law—to increase coordination in identifying and combating violent crime within Indian lands and against Indians—in response to the longstanding crises of missing and murdered Indigenous people (MMIP) and human trafficking (HT).

Pursuant to section 4 of the act, Attorney General Merrick B. Garland and I established the Not Invisible Act Commission (Commission), which consists of Federal and non-Federal members. More information on the Commission and its members can be found [here](#). The Commission is required, by October 2023, to submit a final report to Congress, the Attorney General, and me with recommendations on how to improve intergovernmental coordination, bolster resources, and establish best practices for State/Tribal/Federal law enforcement to help combat this epidemic of violence.

To help achieve this requirement of section 4, the Commission is holding national hearings to solicit public testimony at multiple locations to shape its final report recommendations on specific MMIP and HT topics. These hearings will provide a forum for law enforcement, subject-matter experts, organizations, State/Tribal task forces, advocates, survivors/families, and other stakeholders to offer testimony directly to the Commission in order to improve cross-jurisdictional communications, increase access to resources, and address other issues related to the MMIP and HT crises.

Please join the next Commission hearings—details are below. The full hearing schedule is available [here](#).

Thank you in advance for supporting the Commission’s work to address the MMIP and HT crises. Only with the collective participation of all our communities will our missing, murdered, or trafficked relatives and friends no longer be invisible.

Sincerely,

Deb Haaland
