<sup>1/</sup> FY 2023 LWCF funding is subject to a 5.7 percent sequestration reduction. LWCF funds sequestered in FY 2022 will become available for obligation in FY 2023.	
<sup>2/</sup> The projects total to the proposed budget authority before sequester adjustments and reflect the actual funding need to complete all projects.	
<sup>3/</sup> An estimated \$125.2 million in additional funds will be available for NPS Formula Grants to States through the Gulf of Mexico Energy Security Act of 2006 (GOMESA), (P.L. 109-432).	
<sup>4/</sup> The U.S. Forest Service within the U.S. Department of Agriculture also receives LWCF funding separately.
