**Purpose:**

This will be the first meeting of the National Park Service (NPS) National Leadership Council (NLC) under the Biden Administration, and the primary focus will be on developing strategies to implement administration priorities. The Secretary's presence is essential in setting the tone for the three-day meeting and providing her vision for the NPS's role in implementing Departmental goals. NPS/NLC hope to hear the Secretary's thoughts about the National Park Service, what the Secretary sees as the focal points for the NPS in the coming years, and how the NPS can contribute to implementation of President Biden's four pillars.

**Participants:** National Park Service National Leadership Council (NLC), which is comprised of:

- NPS Director
- NPS Deputy, Associate, and Assistant Directors

**May 4, 2021 Continued**

Tuesday

- NPS Regional Directors
- NPS SES Superintendents
- Staff will be attending from all DOI regions.

**FYI RECORDED REMARKS: Missing and Murdered Native Americans and Alaska Natives Awareness Day & Red Shawl Honoring -- HHS Great Hall, 200 Independence Ave SW**

**Event Overview:**

This is a special event honoring missing and murdered Native Americans (MMNA) to commemorate President Biden's 2021 proclamation on Missing and Murdered American Indian and Alaska Native Awareness Day.

This event will include an honoring to add the names of MMNA victims, as submitted by impacted families and Native and Tribal communities, to a memorial shawl.

The event has been requested collaboratively by the Department of Health and Human Service, Administration for Children and Families, Administration for Native Americans and the Presidential Task Force on Missing and Murdered Native Americans - Operation Lady Justice.

Description: WASHINGTON, D.C. – Secretary of the Interior Deb Haaland and Council on Environmental Quality Chair Brenda Mallory will join Collin O’Mara, president and CEO of the National Wildlife Federation, and Maite Arce, president and CEO of Hispanic Access Foundation, to discuss how the Biden Administration’s plan to conserve and restore 30% of U.S. lands, waters and ocean by 2030 can pioneer collaborative conservation and restoration strategies on public and private lands while addressing the climate crisis, creating jobs, and boosting public health and equity.

The event also will include a panel discussion, moderated by Arce and O’Mara, on how the Biden Administration will partner with diverse stakeholders to create inclusive, community-led solutions that honor Tribal sovereignty, private stewardship efforts, and the needs of underserved communities.

MEETING: House Rules -- WEBEX:

(b) (5)

**Objective:** provide Members a glimpse of the upcoming agenda at Interior, hear about Member interests and priorities and discuss how Rules can partner and collaborate with your team at DOI. Great way to lay the foundation for a coordinated path ahead and catch up with former House colleagues!

**Secretary & Staff Link:** (b) (5)

**Alternative:** If the link above does not work, visit <https://ushr.webex.com/> to manually join by entering:

- **Event ID:** (b) (5)

- **Password:** (b) (5)

**10:45am:** Tech/sound check

- Please note that using a device connected to the internet directly by ethernet cable is highly recommended over using wireless connections.

**11:00am:** Meeting Begins

**DOI Staff Participants:**

Kate Kelly  
Drew Wallace  
Paniz Rezaeero

**Additional Notes:**

- Note that you must join via one of the above URLs, our secure Webex implementation does not permit joining directly from within the Webex mobile app.
- The Cisco Webex program should be installed ahead of time, and is available [here](#).
- All participants will initially be added without audio or video capabilities. For the Secretary, once she has successfully joined the webinar she will be manually “promoted” to be a Panelist, able to broadcast her video and speak freely.
- If using a computer, once you’ve clicked “Join” we recommend choosing the option to do so via the Webex application instead of the browser extension for the highest quality video/audio possible.
