Discussion: In 2019, the FAA embarked on a cross-agency effort called the NOTAM Modernization initiative to make needed improvements to the NOTAM system. The FAA recently published **Order 7930.2S, Change 2** which took effect on 12/02/2021. This order modifies the acronym NOTAM from Notices to Airmen to Notices to Air Missions to create more inclusive terminology. To read the entire order go to: [7930.2S - Notices to Air Missions \(NOTAM\) – Document Information \(faa.gov\)](#)
