BUREAU OF LAND MANAGEMENT - FY21 PROJECT LIST

Unique ID	Bureau	Funding Year	Station or Unit Name	Project/Activity Title	Short Description	State(s)	FY21 GAOA Funding Estimate (\$000)
L001	BLM	2021	Anchorage District	Campbell Creek Science Center Access Repairs	Rebuild the parking lot to eliminate pedestrian - vehicle conflicts.	AK	\$ 3,500
L002	BLM	2021	Anchorage District	Sourdough Campground Bridge Replacement	Replace aged road bridge that is deteriorating.	AK	\$ 1,900
L003	BLM	2021	Fairbanks District	Fort Egbert National Historic Landmark Repairs	Remove asbestos and lead materials, and repaint exterior of 5 buildings.	AK	\$ 440
L004	BLM	2021	Anchorage District	Glennallen Log Bunkhouse	Dispose of unneeded building in poor and unrepairable condition.	AK	\$ 276
L005	BLM	2021	Anchorage District	Campbell Tract Recreation Access Repair	Realign public trail to provide safer public access.	AK	\$ 100
L006	BLM	2021	Colorado River District	Partners Point Pole Barn and Admin Building Replacement	Replacement of compromised building for code compliance and to protect staff and equipment.	AZ	\$ 2,250
L007	BLM	2021	Lake Havasu District	Partners Point Boat Dock and Ramp Replacement	Replace the failing Partners Point Dock and Ramp to maintain public facilities in a safe and working condition.	AZ	\$ 1,200
L009	BLM	2021	Gila District	Haekel Road Rehabilitation Chip Seal, FLTP (Phase 1 of 2)	Reconstruct the failing road for the safety and welfare of the traveling public.	AZ	\$ 1,000
L008	BLM	2021	Lake Havasu District	Water System and Dump Station Repair Burro Creek Recreation Site	Reconstruct the Burro Creek Water System and Dump Station to meet public safety and environmental requirements.	AZ	\$ 590
L014	BLM	2021	Central California District	Mendo Lake Road Maintenance and Repairs	This project will address existing road safety issues with long-term repairs to recurring failures, to maintain public access on the Mendo Lake road system.	CA	\$ 7,400
L010	BLM	2021	Northern California District	Punta Gorda Lighthouse Rehabilitation - (Phase 2 of 3)	Perform structural repairs to historic buildings and improve degrading trails to allow the public to safely enjoy the site.	CA	\$ 1,205
L012	BLM	2021	California Field Offices	Statewide Security System Maintenance and Repairs (Phase 1 of 2)	Perform inspection, maintenance, and repair of security systems to assure personnel safety.	CA	\$ 600
L013	BLM	2021	California Telecommunications Network	RI-CASHE - Repair Safety Deficiencies Statewide (Phase 1 of 2)	This project will repair critical telecommunications structures and equipment to provide reliable fire and law enforcement communications and protect the safety of the public and staff.	CA	\$ 470
L011	BLM	2021	Central California District	Pleasant Valley Pit Campground Maintenance and Rehabilitation	Repair and replace campground features including picnic tables, fire rings, and kiosk, to address safety concerns and meet ADA accessibility requirements.	CA	\$ 315
L018	BLM	2021	Colorado Recreation Sites	Colorado Recreation Site Repair (Phase 1 of 3)	Correct deficient infrastructure at high-use recreation sites to improve safety, access and visitor experience.	CO	\$ 2,345
L016	BLM	2021	Colorado Buildings	Colorado Facilities Repair Deferred Maintenance	Perform high priority facility repairs to address structural, operational, infrastructure and security deficiencies to improve conditions for employees and visitors.	CO	\$ 1,600
L015	BLM	2021	Colorado Road Network	Colorado Road Repair Deferred Maintenance (Phase 1 of 2)	Provide sustainable repairs on priority roads, by correcting safety and long-term maintenance issues to improve visitor access.	CO	\$ 575
L017	BLM	2021	Colorado Building Utilities	Colorado Environmental Health and Safety Repair (Phase 1 of 3)	Correct safety, health and the environment deficiencies identified various public and administrative facilities.	CO	\$ 500

U.S. DEPARTMENT OF THE INTERIOR
GREAT AMERICAN OUTDOORS ACT (GAOA) - NATIONAL PARKS AND PUBLIC LAND LEGACY RESTORATION FUND (LRF)
BUREAU OF LAND MANAGEMENT - FY21 PROJECT LIST

Unique ID	Bureau	Funding Year	Station or Unit Name	Project/Activity Title	Short Description	State(s)	FY21 GAOA Funding Estimate (\$000)
L021	BLM	2021	Rocky Mountain District	San Luis Valley Well and Water Delivery Repairs (Phase 1 of 2)	Correct deficiencies to aging wells and water delivery systems serving critical ecosystems, providing important wildlife habitat and recreational opportunities.	CO	\$ 500
L020	BLM	2021	Grand Junction Air Center	Grand Junction Air Center Repair Containment Pond	Repair leaking containment pond integral to regional wildland fire aviation operations.	CO	\$ 350
L019	BLM	2021	Colorado Telecommunications	Colorado Radio Towers Repairs (Phase 2 of 3)	Correct structural deficiencies at remote communications towers to assure ongoing support of BLM and partner agency emergency services.	CO	\$ 250
L023	BLM	2021	Jupiter Inlet Outstanding Natural Area	Jupiter Inlet Shore Stabilization	Eliminate the erosional loss of public lands at the Jupiter Inlet Lighthouse Outstanding Natural Area to reduce public safety risks, enhance recreational access, and to protect congressionally designated resources.	FL	\$ 700
L022	BLM	2021	Jupiter Inlet Outstanding Natural Area	Jupiter Inlet -Building Disposal	Reduce annual and deferred maintenance costs through the removal of deteriorating, unused, and excess structures within the Jupiter Inlet Lighthouse Outstanding Natural Area.	FL	\$ 315
L024	BLM	2021	Twin Falls District	Shoshone Field Office Replacement	Replace Shoshone Field Office building to eliminate poor facility condition, high O&M costs and safety issues.	ID	\$ 5,000
L103	BLM	2021	National Interagency Fire Center	300-Jack Wilson Headquarters Repairs & Uninterruptible Power Supply Replacement	The project will replace two aging Uninterruptible Power System (UPS) units that serve a mission-critical data center, repair failing subgrade, heating systems, and finishes, in both the building.	ID	\$ 1,010
L025	BLM	2021	Boise District	Boise District Road Repairs	Road repairs to improve public safety and provide public access to recreation, mining, grazing, and resource extraction activities within the Boise District.	ID	\$ 554
L026	BLM	2021	Idaho Falls District	Idaho Falls District Road Repairs	Road repairs to improve public safety and provide public access to recreation, mining, grazing, and resource extraction activities within the Idaho Falls District.	ID	\$ 553
L027	BLM	2021	Twin Falls District	Twin Falls District Road Repairs	Road repairs to improve public safety and provide public access to recreation, mining, grazing, and resource extraction activities within the Twin Falls District.	ID	\$ 553
L106	BLM	2021	National Interagency Fire Center	405-Hangar Fire Safety System Replacement NIFC	The project will replace the outdated fire detection notification system and repair the HVAC system.	ID	\$ 275
L107	BLM	2021	National Interagency Fire Center	Campus Storm Drain Piping Replacement NIFC	The project will repair an aging storm water collection system that is inadequate to manage storm water in accordance with clean water act requirements.	ID	\$ 245
L031	BLM	2021	North Central District	Grub Dam Rehabilitation	Reconstructing dam outletworks to provide a consistent source of water for habitat and wildland fire.	MT	\$ 1,793
L033	BLM	2021	North Central District	South Fork Dry Blood Creek Detention Dam Repair (Phase 1 of 2)	Reconstructing a dam to protect public safety, sustain wildlife habitat and viewing, and provide continued hunting and fishing opportunities for the public.	MT	\$ 985
L035	BLM	2021	Western Montana District	Big Hole Recreation Sites Maintenance and Restoration	Improving the condition and reduce safety hazards at four day-use recreational sites by paving parking lots and improving boat ramps.	MT	\$ 833
L041	BLM	2021	Western Montana District	Monida Creek Dam #1 and #2 Repair	Repairing two deteriorating dams to improve safety, and provide a critical water source for agriculture, recreation activities, and fish and wildlife populations.	MT	\$ 471
