Hi Nedra -- Can you please help us invite the Klamath Tribes to meet with the Secretary on Sunday, July 16 during his trip to review the Cascade Siskiyou National Monument? I assume we would need a formal written invite but also that we will need a call to the Tribal leadership as a head's up. Will you help us with this on Monday? Looping in the team who can give details. Thanks! My best, L Laura Keehner Rigas Communications Director U.S. Department of the Interior (202) 897-7022 cell @Interior

Hi Caroline -  
 Yes, I did manage and have attached. When I talked with Laura this morning she suggested I talk with Tim about the information we want to get to the Klamath Tribe regarding the Secretary's visit to the monument. I've tried to reach Tim, and have not been able to do so yet. Jason says he is out in meetings until later today.  
 Do you want me to reach out to the tribe or will you be doing that?  
 Thanks.

If you are able to give them a heads up, that would be amazing. We need to finalize another meeting first with the Governor before we coordinate the one with the tribe.

Do we need to also send a formal invite to the tribe on letterhead? I want to make sure we follow the correct protocol for this!

Hi Caroline –

Yes, I will reach out to the tribe by phone this morning. Will this be an all-day meeting? By Horseback, Rock climbing, or some other active measure to review the monument? I'd like to give them an advance notice of what to expect and if they need to bring anything with them to the meeting.

A formal note/email will be appropriate, similar to the other outreach you are doing for the Governors, etc.

We have asked the region to do a quick brief on the status of Klamath and other local tribal hot issues in case they come up.

Thanks.

Hi Nedra,

We were looking to do an hour meeting with them like we did with the Penobscot tribe. Due to his limited time frame (he has to fly back to D.C. that night), we were hoping to invite them to a government to government meeting at the BLM office in Medford.

And excellent, we will reach out to them hopefully this afternoon when the Governors meeting is confirmed and we have a time frames!

Hi Caroline -

I just spoke with Klamath Tribe Chairman Gentry. He was pleased to hear of the possibility of meeting with Secretary Zinke and appreciate the heads up especially since he and most of the council will be out cell range for the rest of the day at an on-site land meeting. I told him someone else would call him next from Secretary Zinke's office with more information and to also look for an email. I confirmed the email address I provided and that is his direct email address. The Chairman also says he likes texts as well.

If you need anything else, let me know.

Thanks.

Glad to help the Secretary meet with tribes of these important matters.  
Take care,

Hi Caroline -

I just spoke with Klamath Tribe Chairman Gentry. He was pleased to hear of the possibility of meeting with Secretary Zinke and appreciate the heads up especially since he and most of the council will be out cell range for the rest of the day at an on-site land meeting. I told him someone else would call him next from Secretary Zinke's office with more information and to also look for an email. I confirmed the email address I provided and that is his direct email address. The Chairman also says he likes texts as well.

If you need anything else, let me know.

Thanks.

Hi Nedra,

We were looking to do an hour meeting with them like we did with the Penobscot tribe. Due to his limited time frame (he has to fly back to D.C. that night), we were hoping to invite them to a government to government meeting at the BLM office in Medford.

And excellent, we will reach out to them hopefully this afternoon when the Governors meeting is confirmed and we have a time frames!

Hi Caroline –

Yes, I will reach out to the tribe by phone this morning. Will this be an all-day meeting? By Horseback, Rock climbing, or some other active measure to review the monument? I'd like to give them an advance notice of what to expect and if they need to bring anything with them to the meeting.

A formal note/email will be appropriate, similar to the other outreach you are doing for the Governors, etc.

We have asked the region to do a quick brief on the status of Klamath and other local tribal hot issues in case they come up.

Thanks.

If you are able to give them a heads up, that would be amazing. We need to finalize another meeting first with the Governor before we coordinate the one with the tribe.

Do we need to also send a formal invite to the tribe on letterhead? I want to make sure we follow the correct protocol for this!

Hi Caroline -

Yes, I did manage and have attached. When I talked with Laura this morning she suggested I talk with Tim about the information we want to get to the Klamath Tribe regarding the Secretary's visit to the monument. I've tried to reach Tim, and have not been able to do so yet. Jason says he is out in meetings until later today.

Do you want me to reach out to the tribe or will you be doing that?

Thanks.
