Hello Chairman Gentry,

I am in Secretary Zinke's Scheduling & Advance Office. I understand you and your staff are out of cell range today so I look forward to calling and speaking with you tomorrow once you're back in service!

Secretary Zinke will be traveling to Oregon this coming weekend to tour the Cascade Siskiyou National Monument and will be conducting meetings on Sunday related to the Monument. One of the Secretary's top priorities is meeting with the Klamath Tribes on this issue and others important to the tribe as time permits.

Unfortunately his visit is short and due to time limitations, he is unable to travel out to the Reservation on this trip. However, he would like to meet with you and the Council on Sunday, July 16 at the BLM office in Medford. We would like to do an afternoon meeting and will happily set aside an hour for the meeting. We would aim to do a 2:30-3:30pm PDT meeting with the tribe, though we have some (but limited) flexibility with that.

Please let us know if you believe that you would be able to meet with the Secretary then or if there is a time later in the afternoon that would work better. Additionally, please let me know if there is a better point of contact you prefer us to coordinate through! You can reach me at this email address or anytime at 202-706-9300 (my work cell).

Best,  
Caroline
