

Interagency Aviation Information Bulletin

No. IA IB 13-03

May 28, 2013

Page 1 of 1

Subject: 2013 Interagency Helicopter Operations Guide (IHOG)

Area of Concern: Helicopter Operations

Distribution: Fire and Aviation Operations

Discussion: The new 2013 Interagency Helicopter Operations Guide (IHOG) is now available.

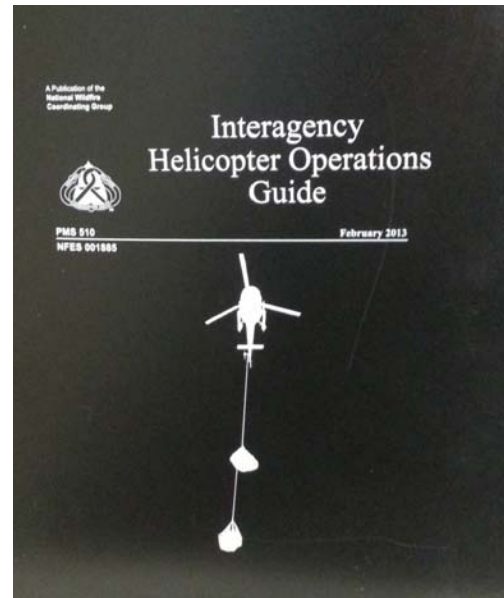

The electronic version is immediately available on the NWCG webpage at: http://www.nwcg.gov/pms/pubs/pms510/00_pms510.pdf or by chapter at: <http://www.nwcg.gov/pms/pubs/pms510/index.htm>.

The print version is also available through the cache system (NFES 001885) by completing the [order form](#) and mailing or faxing (no phone orders accepted) to:

National Interagency Fire Center,
Attn: Great Basin Cache Supply Office
3833 S. Development Avenue,
Boise, ID 83705.
FAX: 208-387-5573/5548

This will be the last time that the IHOG will be available in print from the cache system. The next revision will only be available electronically.

There is one recent correction to the IHOG . Please print and insert [Interagency Aviation Safety Alert 13-01](#) in chapter 10 of the IHOG. This Safety Alert corrects the Brace for Impact Positions in Exhibit 10-1 (Standard Helicopter Safety Briefing Checklist, 7. In-Flight Emergency Procedures).
