This individual Purchased Interests Report (PIR) is informational only, intended to report the land owner interests recently sold through the Land Buy Back Program for Tribal Nations. This report acknowledges the value compensated for the purchase of the land owner interest in each tract, the amount also disbursed to the Matching Scholarship Contribution Fund, the Base Payment of \$75.00 for completing the purchase offer package and deed, and the Total Payment Amount to the grantor. These owner interests will no longer be reflected on the Quarterly Asset Statement due to the transfer of title to the Tribe having jurisdiction over the reservation/land area.
