3. **Objectives and Scope of Activities.** The Extractive Industries Transparency Initiative (EITI) is a global initiative that seeks to promote transparency and accountability of natural resource revenues by reconciling industry payments and government revenues and publicly disclosing that information in accessible and comprehensible EITI reports. The EITI standard requires implementing countries to ensure an effective, functional and inclusive Multi-Stakeholder Group (MSG) comprised of representatives from government, industry, and civil society to oversee the implementation of USEITI. The standard also requires the MSG to develop and maintain a fully-costed work plan aligned with the reporting and validation deadlines established by the EITI Board. The Committee will fulfill the EITI Standard requirements by serving as the MSG, including providing collaborative and consensus-based oversight of USEITI implementation, and by acting as a forum for consultation among the stakeholders. The Committee's advice to the Secretary will be made available to all other interested parties and the public.

4. **Description of Duties.** The Committee will serve as the USEITI MSG and its duties will include consideration and fulfillment of the tasks required to achieve EITI compliant status. In that capacity, the Committee will:
 - Oversee the USEITI implementation process and communicate the findings of the USEITI Report, and make recommendations to promote the integration of USEITI into broader natural resource revenue transparency efforts.
 - Develop and recommend to the Secretary a fully-costed annual work plan, containing measurable targets and a timetable for implementation, and incorporating an assessment of capacity constraints. This plan shall be developed in consultation with key EITI stakeholders and published upon completion.
 - Advise the Secretary and post for consideration by other stakeholders, proposals for conducting long-term oversight and other activities necessary to achieve EITI compliant status based on the EITI Standard issued on July 11, 2013.
 - Provide opportunities for collaboration and consultation among stakeholders.
5. **Agency or Official to Whom the Committee Reports.** The Committee will report to the Secretary through the Assistant Secretary for Policy, Management and Budget.
6. **Support.** Support for activities of the Committee will be provided by the Deputy Assistant Secretary, Natural Resources Revenue Management and the USEITI Secretariat, with funding and administrative support provided by the Office of Natural Resources Revenue.
7. **Estimated Annual Operating Costs and Staff Years.** The annual operating costs associated with supporting the Committee's functions, including all direct and indirect expenses, are estimated to be \$775,000 plus the support of approximately 4 equivalent full-time employees.
8. **Designated Federal Officer.** The Designated Federal Officer (DFO) is the Assistant Secretary for Policy, Management and Budget who is a full-time Federal employee appointed in accordance with Agency procedures. The DFO, or designee, will approve or call all of the Committee and subcommittee meetings, prepare and approve all meeting agendas, attend all Committee and subcommittee meetings, adjourn any meeting when the DFO determines adjournment to be in the public interest, and chair meetings when directed to do so by the Secretary.
9. **Estimated Number and Frequency of Meetings.** The Committee will meet approximately four times annually, and at such other times as designated by the DFO.
10. **Duration.** Continuing.

11. **Termination.** The Committee will terminate 2 years from the date the charter is filed, unless prior to that date, the charter is renewed in accordance with Section 14 of the FACA. The Committee will not meet or take any action without a valid current charter.
12. **Membership and Designation.** The Committee will consist of approximately 24 members, but will not exceed 27 members. The Secretary may appoint members selected from, but not limited to:
 - Up to 9 members representing the extractive industry, including oil, gas, and mining companies, and industry-related trade associations.
 - Up to 9 members representing civil society organizations, including organizations with interest in the extractive industry, transparency, and government oversight and members of the public, as well as public and/or private investors.
 - Up to 9 members representing the Federal, State, and/or local government interests, Tribal governments and individual Indian mineral owners.

Members are appointed to serve 3-year terms.

Alternate members may be appointed to the Committee. Alternate members must be approved and appointed by the Secretary before attending meetings as representatives. Alternate members shall have experience and/or expertise similar to that of the primary member.

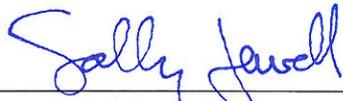

Non-Federal members of the Committee serve without compensation. However, while away from their homes or regular places of business, Committee or subcommittee members engaged in Committee or subcommittee business approved by the DFO may be allowed travel expenses, including per diem in lieu of subsistence, in the same manner as persons employed intermittently in Federal Government service under Section 5703 of Title 5 of the United States Code.

Any vacancy on the Committee will be filled in the same manner in which the original appointment was made. All members serve at the discretion of the Secretary.

The Secretary shall appoint the Committee Chair. Co-chairs will be appointed pursuant to USEITI MSG Terms of Reference.

13. **Ethics Responsibility.** No Committee or subcommittee member will participate in any specific party matter including a lease, license, permit, contract, claim, agreement, or related litigation with the Department in which the member has a direct financial interest.

14. **Subcommittees.** Subject to the DFO's approval, subcommittees may be formed for the purposes of compiling information or conducting research. However, such subcommittees must act only under the direction of the DFO and must report their recommendations to the full Committee for consideration. Subcommittees must not provide advice or work products directly to the Agency. The Committee Chair, with the approval of the DFO, will appoint subcommittee members. Subcommittees will meet as necessary to accomplish their assignments subject to the approval of the DFO and the availability of resources.
15. **Recordkeeping.** The records of the Committee, and formally and informally established subcommittees, shall be handled in accordance with the General Records Schedule 26, Item 2 and other Agency approved records disposition schedule.
