Description:
Gareth and Elizabeth: I am Joel Cugini, Executive Secretary of the Civil Applications Committee (CAC). On August 4, Dr Suzette Kimball, in her role as CAC Chair, met with Deputy Secretary Connor to brief him on his role as Chairman of the CAC Executive Steering Group (ESG) and inform him of an issue the ESG is addressing. In May 2013, former Deputy Secretary Hays tasked the ESG to form an Expert Working Group to recommend whether or not the CAC should support the law enforcement, regulatory enforcement, and homeland security requirements of its member organizations. After meeting in the summer and fall of 2013, the working group decided the CAC should perform those functions and prepared a recommendation for the ESG. At the August 4 meeting, Deputy Secretary Connor tasked the CAC to schedule an ESG meeting to receive and decide on the working group's recommendation Dr. Kimball is available to facilitate an ESG meeting in the December 1 - 8 timeframe. Since the ESG has representatives from 18 member organizations and needs to meet in a Sensitive Compartmented Information Facility (SCIF), Dr. Kimball would like to hold the meeting at the USGS SCIF in Reston. It has a conference room large enough to accommodate the ESG members and subject matter experts. We anticipate the meeting would last no more than two hours. Would Deputy Secretary Connor be available during that timeframe to chair an ESG meeting? Thank you.
