

ISAC Subcommittee on Research **Spring 2015 Meeting – Silver Spring, MD**

Breakout Session Agenda

Session 1: Wednesday, May 20, 2015

1. Discuss our views of the Draft NISC 2015 IS plan. Formulate questions we want to raise at the time of the presentation on Friday.

Session 2: Thursday, May 21, 2015

2. Discuss, and modify if necessary, our recommendation on the systematics survey for USDA and SI that will be up for a vote on Friday morning.
3. Discuss our approach to systematics at DOI.
4. If time, discuss APHIS biocontrol programs and how to get more information.
