

Drilling Moratorium Guidance

Operations with Subsea BOP Stack – Water Depth Greater Than 500 Feet

Activity type	6 Month No Drilling Moratorium Applies
Drilling of new well	Yes
Wellbore Sidetrack on current drilling operations	Yes
Wellbore Bypass on current drilling operations	Yes
Workover Operations	No
Completion Operations	No
Abandonment Operations	No
Intervention (Non emergency)	No
Intervention (Emergency)	No
Waterflood, Gas Injection, Disposal Wells	No
Operations with Surface BOP Stack – Water Depth Greater Than 500 Feet	
Drilling of new well	Yes
Wellbore Sidetrack on current drilling operations	Yes
Wellbore Bypass on current drilling operations	Yes
Workover Operations with stack	No
Completion Operations with stack	No
Abandonment Operations	No
Intervention (Non emergency)	No
Intervention (Emergency)	No
Waterflood, Gas Injection, Disposal Wells	No
