Subject: **Class Deviation—Providing Accelerated Payment to Small Business Subcontractors**

References: Office of Management and Budget (OMB) Memorandum M-12-16, July 11, 2012; DOI Guidance Memorandum, *Implementation of OMB Memorandum M-12-16*, dated July 17, 2012; and Federal Acquisition Regulation (FAR) 1.404

1. Purpose:

This DIAPR issues a class deviation, in accordance with FAR 1.404, for contracting officers to insert the attached clause, 52.232-99, Providing Accelerated Payment to Small Business Subcontractors (DEVIATION)(AUG 2012), in all new solicitations and resultant contracts.

2. Effective Date: Upon signature.

3. Expiration Date: This DIAPR will remain in effect until the change is made in the FAR or is otherwise rescinded.

4. Background and Explanation:

On July 16, 2012, OMB issued Memorandum M-12-16, *Providing Prompt Payment to Small Business Subcontractors*. This memorandum sets forth the Administration's initiative to accelerate payments to prime contractors, so that prime contractors can in turn expedite payments to their small business subcontractors.

In accordance with the one-year temporary policy established in OMB Memorandum M-12-16, agencies are taking actions to make payments to all prime contractors as soon as practicable with a goal of paying all prime contractors within 15 days. The acceleration of payments to prime contractors is intended to assist in expediting contractor payments to small business subcontractors. A copy of OMB Memorandum M-12-16 is available online at <http://www.whitehouse.gov/sites/default/files/omb/memoranda/2012/m-12-16.pdf>.

5. Action Required:

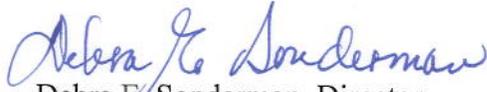

Effective immediately, contracting officers shall insert the attached clause 52.232-99, Providing Accelerated Payment to Small Business Subcontractors (DEVIATION) (AUG 2012), in new solicitations and resultant contracts and, to the extent feasible, amend existing solicitations and

modify existing contracts to insert the clause. The new contract clause will require the prime contractor, upon receipt of accelerated payments from the government, to make accelerated payments to small business subcontractors to the maximum extent practicable after receipt of a proper invoice and all appropriate documentation from the small business subcontractor.

All established procedures required to process an invoice shall be followed.

6. Additional Information:

CIVILIAN AGENCY ACQUISITION LETTER 2012-03

August 16, 2012

MEMORANDUM FOR CIVILIAN AGENCIES OTHER THAN NASA

FROM: LAURA AULETTA 
CHAIR
CIVILIAN AGENCY ACQUISITION COUNCIL (CAAC)

SUBJECT: Class Deviation from the Federal Acquisition Regulation (FAR) to Implement Office of Management and Budget (OMB) Policy Memorandum M-12-16, Providing Prompt Payment to Small Business Subcontractors

On July 11, 2012, OMB issued Policy Memorandum M-12-16, Providing Prompt Payment to Small Business Subcontractors. The memorandum directs that agencies should, to the full extent permitted by law, temporarily accelerate payments to all prime contractors, in order to allow them to provide prompt payments to small business subcontractors. While this temporary one year policy is in effect, agencies shall encourage prime contractors to pay small business subcontractors on an accelerated timetable to the maximum extent practicable.

OMB also worked with the FAR Council to develop the attached clause to require prime contractors to pay small business subcontractors on an accelerated timetable to the maximum extent practicable.

Effective immediately, agencies may authorize a class deviation, in accordance with FAR 1.404, for contracting officers to insert the attached clause in all new solicitations and resultant contracts and, to the extent feasible, modify existing solicitations to insert the attached clause. Contracting officers may amend existing contracts to insert this clause in accordance with FAR 1.108(d).

This CAAC letter constitutes consultation with the Chair of the CAAC required by FAR 1.404(a)(1) when the agency uses the attached clause. If an agency modifies the attached clause, the agency shall consult with the CAAC Chair, so that any agency modified clause can be coordinated with OMB to ensure consistency with the policy memorandum. The class deviation with the modified clause shall be emailed to Edward

Chambers at edward.chambers@gsa.gov, with a copy emailed to william.clark@gsa.gov.

A sample transmittal is also attached, which agencies may use at their discretion to explain the deviation to the acquisition workforce. Agencies need not notify the CAAC if they modify the language in the sample transmittal.

If you have questions or require additional information, please contact Edward N. Chambers at (202) 501-3221, or by email.
