Shared Neutrals headquarters website http://www.hhs.gov/dab/sn/				
<p>NOTE: Your regional FEB is another source for accessing neutrals. Most, but not all, regional FEBs have networks of federal agency mediators that are certified through the Federal Agency Shared Neutrals program, Or, if you are a DOI CORE PLUS mediator and would like to do more mediations, then you can contact your regional FEB to find out how to get onto its roster.</p>
